A New Apostolic Reformation A Biblical Response To A Worldwide Movement:

A New Apostolic Reformation? R. Douglass Geivett, Holly Pivec, 2018-07-25 This critique provides a framework for understanding and interpreting the widespread but little known New Apostolic Reformation movement. As the authors state in the preface: We write this book with two major goals in mind. First to give people an idea of the sheer size and reach of the NAR movement. And second to systematize its key teachings and practices and evaluate them on the basis of Scripture and careful reasoning. In our judgment the NAR perspective crosses these boundaries that is certain broad parameters revealed in Scripture and practiced in the historical orthodox church and it does so in part because of flawed theology rooted in a flawed understanding of Scripture.

Evangelical Review of Theology, Volume 47, Number 2 Thomas Schirrmacher, 2023-05-09 ERT publishes quality articles and book reviews from around the world both original and reprinted from an evangelical perspective reflecting global evangelical scholarship for the purpose of discerning the obedience of faith and of relevance and importance to its international readership of theologians, educators, church leaders, missionaries, administrators and students. The journal is published as a ministry rather than as a commercial project seeking to be of service to the worldwide spread of the gospel and the building up of the church and its leadership in co-ordination with the World Evangelical Alliance's broader mission and activities.

The Gifted Church W. Clay Jackson MD DipTh, 2025-02-13 What if we're missing something? The New Testament describes a vibrant church empowered by the Holy Spirit with supernatural gifts of manifestation service and leadership which turned the known world upside down within three generations. But as the freedom of the operation of the Holy Spirit waned and post-apostolic leaders consolidated power within hierarchical systems that missional momentum was truncated. In this pivotal work Dr. Jackson brings an Apostolic hermeneutic to the scriptures and mountain of classical and contemporary sources to demonstrate that this historical declension from scriptural truths began its long reversal with the Reformation culminating in the worldwide outpouring of the Holy Spirit in the early 20th century. The restorationist impulse of the pioneers of modern Pentecostalism caused them to embrace previously neglected manifestation gifts/charismata but did not substantially alter their ecclesiology as they failed to fully actualize the edification gifts. Dr. Jackson details the function and characteristics of each edification gift or speaking leadership role within a scriptural framework of an apostolic team. He warns against excesses and abuses of power and reminds each disciple maker that the character of the Giver not the characteristics of the gift is the true determinant of our ability to serve faithfully. This book will challenge the pastor/theologian to rethink church leadership and to reengage the whole church in the kingdom expansion that characterized early Christianity. It will provide enrichment and clarity regarding the roles of those who portray and embody various types of edification/leadership gifts. The result will be a church whose missional impulse is not outsourced to designees but internalized within each member of a Body that is equipped for service within local and global contexts.

Reckless Christianity

Holly Pivec, R. Douglas Geivett, 2025-01-01 Bethel Church California is one of the most popular and polarising churches in America With its own Christian music label reports of miraculous healings and the manifestation of a glittering Glory cloud the congregation of Bethel Church is ever growing Bethel Church situates itself in the global movement of the New Apostolic Reformation believing that present day apostles and prophets must govern the church Some praise the church for the clear manifestation of God's activity others see the integration of controversial and hazardous practices into the church In Reckless Christianity Holly Pivec and R Douglas Geivett provide meticulous research and an incisive critique of the Bethel movement Citing its charismatic senior leader Bill Johnson as promoting a reckless Christianity Pivec and Geivett return to Scripture the authoritative Word of God to provide guidance on the boundaries of practice and where these boundaries are crossed In its pursuit of experimentation Reckless Christianity argues that the leaders of Bethel are pulling its followers into a dangerously speculative and experience driven Faith

New Faces of God in Latin America

Virginia Garrard, 2020-11-03 Combining historical and ethnographic research methods along with a thorough review of existing literature on the study of Latin American Christianity New Faces of God in Latin America addresses the important question of how global religion and local culture interact situating the experience of Latin American Christianity in the broader conversations in the field of world Christianity particularly with respect to the growing understanding of Christianity as a non Western religion Through case studies of different Pentecostal experiences in Latin America Virginia Garrard explores cross pollination and interaction with indigenous religions and cultures finding widely varied responses to the material and spiritual needs of Latin Americans The author locates Latin American religious experience within a field known as the history

of non Western Christianity This focuses on the experience perceptions and adaptations of those who adopt Christianity outside the context of Western missionary or other colonizing projects The book engages with the intersection of culture and spirit filled religion with an eye to how those interactions help frame an alternative religious modernity Throughout the book the author uses culture as both a heuristic lens and as a variable within the equation She argues that culture helps us understand how people engage with and reconfigure global religious flows within their own imaginations and for their own parochial uses [Counterfeit Kingdom](#) Holly Pivec,R. Douglas Geivett,2022-11-15 Is there a new reformation happening in the church It depends on who you ask The New Apostolic Reformation NAR is a popular and fast growing new movement of Christians who emphasize signs and wonders and teach that God is giving new revelation through new apostles and prophets But is this biblical Christianity In Counterfeit Kingdom apologists and NAR experts Holly Pivec and Douglas Geivett show how the NAR s key tenets distort the gospel twist the Scriptures are influenced by New Age practices and lead faithful Christians to shipwreck their faith They also offer practical suggestions for readers who are already influenced by the NAR curious about it or concerned about loved ones who have been swept up in the movement What used to be on the fringes of the church is now mainstream and many are being influenced by it unaware This book is a wake up call

The New Apostolic Reformation John Weaver,2016-04-11 From Justin Bieber to Sarah Palin and Michele Bachmann to the controversial documentary Jesus Camp 2006 the New Apostolic Reformation s influence can be seen everywhere in mainstream America Beginning with an examination of the Latter Rain Church Growth and Shepherding movements this book explores how the new Reformation has become one of the most powerful movements in modern evangelical Christianity and a major influence on American political and cultural life The author describes the New Apostolic Reformation s organization how the movement spread and its national and international objectives [The New Reformation](#) Frederick Osborn,2016-01-14 The New Apostolic Reformation is not a cult insist its leaders Those who affiliate with it believe the Apostles Creed and all the standard classic statements of Christian doctrine However what the NAR does represent says one of its most respected leaders C Peter Wagner Ph D is the most radical change in the way of doing church since the Protestant Reformation Drawing from his many years of experience as a full time missionary on the mission fields of Asia and thousands of hours of study Bible teaching leadership and discipleship training in villages and urban centers he has completed around the world Frederick Osborn offers a brief but objective evaluation of the movement so far The New Apostolic Reformation NAR has changed traditional Protestantism regarding the quality of church life polity worship theology missional goals and our view of the eschatological future But have all these changes been good As this movement spreads questions are being raised by many Christians concerning this movement Have all the changes wrought by the NAR opened the door for a new wave of false teachers and prophets to come into the ranks of the church Are these false teachers and prophets like the ancient Gnostics and Judaizers of the early church that brought with them destructive heresies Must they be confronted and

done away with before they run all of Christianity off the rails of biblical truth and into a postmodern no man's land where practically anything and everything goes A definitive answer is not offered here but some biblical guidelines are offered for evaluating and assessing what this new prophetic apostolic movement represents God's Super-Apostles R. Douglass Geivett,Holly Pivec,2018-07-27 God's Super Apostles provides a concise entry level overview of the key teachings and practices of the New Apostolic Reformation NAR movement This is a key resource in grasping the significance of this global confusing and controversial movement **The Congregationalist and Christian World** ,1902 Toward a Twenty-First Century Biblical, Apostolic Church SuYeon Yoon,2019-09-19 This book explores biblical values that critique the ecclesiology of the New Apostolic Reformation Church NARC and compares the ecclesiology to other missional movements in the North American context A biblical exegesis of Ephesians 4 11 13 as well as C Peter Wagner's conceptualization of an apostle and apostolic ministry allow the author to demonstrate the gap between the biblical perspective and Wagner's concept of an apostle The biblical role of an apostle is to make the church missional by emphasizing the concept of sending whereas Wagner sees the apostle as a church leader Based upon interviews and participant observation in three NARCs SuYeon Yoon describes the leadership and ecclesiology based on their own self descriptions This book then demonstrates the gap between the biblical and conceptual ideals and the reality of ecclesial practice The author argues that the NARC serves as a charismatic manifestation of a similar cultural response to establish a relational structure for church communities that can appropriately reflect upon and identify with the contemporary context This implies that each movement needs to be biblically sound faithful to its conceptualization and relevant to the context in order to cultivate its own way of being the church

The Apostolic Revelation John Kingsley Alley,2002 God is progressively releasing into the earth powerful apostolic and prophetic anointings and is restoring the apostolic nature of the church itself Every Christian needs to prayerfully consider the message of this book and hear what the Spirit is saying to the church The change is ongoing and God is acting in the history of the church and nations The Apostolic Revelation unveils a series of dynamic concepts that are crucial to the life of the church and the restoration of its apostolic power It establishes benchmarks for the apostolic ministry and gives definition to the apostolic structure of the church Here is a revelation of apostolic methods and God's heart for the church and its leadership In this study today's apostolic message is harmonised with and grounded in the apostolic revelation of Christ given to Paul the apostle to the Gentiles This work is the result of 13 years of inquiry searching the mind of the Spirit regarding the place of apostles today and seeking to understand what it means for the church to be the mature apostolic church Apostolic grace is for every believer This book seeks to equip you to receive a greater grace and prepare you for the astounding days ahead **World Christian Encyclopedia** David B. describe the movement's origins and outworkings and they offer a thoughtful balanced and biblical counterpoint to its many errors and excesses. Their work is eminently practical, desperately needed and long overdue.
