ABOUT THE AUTHOR Eckhart Tolle is one of the world's most renowned and influential spiritual teachers. His previous bestseller The Power of Now was translated into over 33 languages.

INTRODUCTION When we think about the world that we live in, it is improving. There is more to be done with humanity, and our role is to be greedy and to suffer. The answer you'll find in our minds is that we are too caught up in either the past or the future and by working too much on our egos, we are not and truly from the true happiness and fulfillment of the present moment. In short, if we overcome our egos, we can create a better world. In this book, you'll learn what really meant by the Christ when he said that the twenty-first century must be a time when you should aspire to be like a duck.
