

A People At War Civilians And Soldiers In Americas Civil War

Ben H. Severance

A People At War Civilians And Soldiers In Americas Civil War:

A People at War Scott Reynolds Nelson, Carol Sheriff, 2007-04-16 Claiming more than 600 000 lives the American Civil War had a devastating impact on countless numbers of common soldiers and civilians even as it brought freedom to millions This book shows how average Americans coped with despair as well as hope during this vast upheaval A People at War brings to life the full humanity of the war s participants from women behind their plows to their husbands in army camps from refugees from slavery to their former masters from Mayflower descendants to freshly recruited Irish sailors We discover how people confronted their own feelings about the war itself and how they coped with emotional challenges uncertainty exhaustion fear guilt betrayal grief as well as physical ones displacement poverty illness disfigurement The book explores the violence beyond the battlefield illuminating the sharp edged conflicts of neighbor against neighbor whether in guerilla warfare or urban riots The authors travel as far west as China and as far east as Europe taking us inside soldiers tents prisoner of war camps plantations tenements churches Indian reservations and even the cargo holds of ships They stress the war years but also cast an eye at the tumultuous decades that preceded and followed the battlefield confrontations An engrossing account of ordinary people caught up in life shattering circumstances A People at War captures how the Civil War rocked the lives of rich and poor black and white parents and children and how all these Americans pushed generals and presidents to make the conflict a people s war

A People at War Scott Reynolds Nelson, Carol Sheriff, 2023 **Cultures in Conflict--The American Civil War** Steven E. Woodworth, 2000-03-30 The American Civil War was primarily a conflict of cultures and slavery was the largest single cultural factor separating North and South This collection of carefully selected memoirs diaries letters and reminiscences of ordinary Northerners and Southerners who experienced the war as soldiers or civilians brings to life the conflict in culture principles attitudes hopes courage and suffering of both sides Woodworth a Civil War historian has selected a wide variety of moving first person accounts each of which tells a story of a life as well as the attitudes of ordinary people and the real conditions of war and homefront Woodworth presents the war in the words of those who lived it Contrasting selections will help the reader to see the war through the eyes of Northerners and Southerners as soldiers prepare for war women s lives change after the men go to war soldiers on both sides experience the difficulties of camp life sweethearts the half sister of Mary Todd Lincoln and her Confederate fianc exchange heartfelt letters a husband s letters and his wife s diary recount their love his death in battle and her deep loss countered by her faith soldiers and civilians recount the carnage of the war s devastating battles and people on both sides reflect on the outcome of the war and its consequences to their way of life The accounts contrast the writers attitudes toward Northern and Southern society the principles for which those societies stood and the religious significance of the war These accounts and the narrative discussion of the difference in culture will help readers to understand the Civil War as a conflict of cultures Telling the story of the war as personal history makes the experience of the Civil War come alive for readers

A Companion to the U.S.

Civil War Aaron Sheehan-Dean, 2014-02-05 A Companion to the U S Civil War presents a comprehensive historiographical collection of essays covering all major military political social and economic aspects of the American Civil War 1861 1865 Represents the most comprehensive coverage available relating to all aspects of the U S Civil War Features contributions from dozens of experts in Civil War scholarship Covers major campaigns and battles and military and political figures as well as non military aspects of the conflict such as gender emancipation literature ethnicity slavery and memory A Companion to the U.S. Civil War, 2 Volume Set Aaron Sheehan-Dean, 2020-05-05 A Companion to the U S Civil War presents a comprehensive historiographical collection of essays covering all major military political social and economic aspects of the American Civil War 1861 1865 Represents the most comprehensive coverage available relating to all aspects of the U S Civil War Features contributions from dozens of experts in Civil War scholarship Covers major campaigns and battles and military and political figures as well as non military aspects of the conflict such as gender emancipation literature ethnicity slavery and memory

The Calculus of Violence Aaron Sheehan-Dean, 2018-11-05 Winner of the Jefferson Davis Award Winner of the Johns Family Book Award Winner of the Army Historical Foundation Distinguished Writing Award A work of deep intellectual seriousness sweeping and yet also delicately measured this book promises to resolve longstanding debates about the nature of the Civil War Gregory P Downs author of After Appomattox Shiloh Chancellorsville Gettysburg tens of thousands of soldiers died on these iconic Civil War battlefields and throughout the South civilians suffered terrible cruelty At least three quarters of a million lives were lost during the American Civil War Given its seemingly indiscriminate mass destruction this conflict is often thought of as the first total war But Aaron Sheehan Dean argues for another interpretation The Calculus of Violence demonstrates that this notoriously bloody war could have been much worse Military forces on both sides sought to contain casualties inflicted on soldiers and civilians In Congress in church pews and in letters home Americans debated the conditions under which lethal violence was legitimate and their arguments differentiated carefully among victims women and men black and white enslaved and free Sometimes as Sheehan Dean shows these well meaning restraints led to more carnage by implicitly justifying the killing of people who were not protected by the laws of war As the Civil War raged on the Union s confrontations with guerrillas and the Confederacy s confrontations with black soldiers forced a new reckoning with traditional categories of lawful combatants and raised legal disputes that still hang over military operations around the world today In examining the agonizing debates about the meaning of a just war in the Civil War era Sheehan Dean discards conventional abstractions total soft limited as too tidy to contain what actually happened on the ground

After the Civil War James Robertson, 2015-10-27 Returning to the turbulent days of a nation divided best selling author and acclaimed historian James Robertson explores 70 fascinating figures who shaped America during Reconstruction and beyond Relentless politicians intrepid fighters cunning innovators the times called for bold moves and this resilient generation would not disappoint From William Tecumseh Sherman a fierce leader who would revolutionize modern warfare

to Thomas Nast whose undefeatable weapon was his stirring cartoons these are the people who weathered the turmoil to see a nation reborn Following these extraordinary legends from the battle lines to the White House from budding metropolises to the wooly west we re discover the foundation of this great country **Civil War Time** Cheryl A. Wells,2005 Focusing on the US Civil War Cheryl Wells looks at how it played havoc with people s perception and use of time including interrupted periods of sleep indefinite prison sentences and extended hours of work Wells calls this battle time and she looks at its effects on civilians as well as those involved in the fighting itself **Civil War** Lisa . Tendrich Frank,2009-07-14 This volume offers a social historian s view of the Civil War shifting the focus away from political and military leaders to look at how the war affected and was affected by ordinary citizens of all kinds Civil War People and Perspectives looks at one of the most convulsive events in American history through the eyes of ordinary citizens examining issues related to the home front and war front across the full spectrum of racial class and gender boundaries Moving away from the traditional focus on famous political and military figures this insightful volume recounts the experiences of soldiers women and children slaves and freed persons Native Americans immigrants and other social groups during a time of extraordinary national upheaval It is a revealing look at how the lives of everyday people Northern and Southern black and white rich and poor male and female enslaved and free shaped and were shaped by the American Civil War *Soldiers at the Doorstep* Larry S. Chowning,2016-05-28 24 tales handed down by word of mouth detail life behind enemy lines during the Civil War Expanded 2nd edition includes four more vignettes and photos and updates to previous entries Quick thinking residents used the fear of smallpox to spare a tavern from Union torches *Midnight in America* Jonathan W. White,2017-02-02 The Civil War brought many forms of upheaval to America not only in waking hours but also in the dark of night Sleeplessness plagued the Union and Confederate armies and dreams of war glided through the minds of Americans in both the North and South Sometimes their nightly visions brought the horrors of the conflict vividly to life But for others nighttime was an escape from the hard realities of life and death in wartime In this innovative new study Jonathan W White explores what dreams meant to Civil War era Americans and what their dreams reveal about their experiences during the war He shows how Americans grappled with their fears desires and struggles while they slept and how their dreams helped them make sense of the confusion despair and loneliness that engulfed them White takes readers into the deepest darkest and most intimate places of the Civil War connecting the emotional experiences of soldiers and civilians to the broader history of the conflict confirming what poets have known for centuries there are some truths that are only revealed in the world of darkness *A War State All Over* Ben H. Severance,2020-06-09 An in depth political study of Alabama s government during the Civil War Alabama s military forces were fierce and dedicated combatants for the Confederate cause In his study of Alabama during the Civil War Ben H Severance argues that Alabama s electoral and political attitudes were in their own way just as unified in their support for the cause of southern independence To be sure the civilian populace often expressed unease about the conflict as did a good

many of Alabama's legislators but the majority of government officials and military personnel displayed pronounced Confederate loyalty and a consistent willingness to accept a total war approach in pursuit of their new nation's aims. As Severance puts it, Alabama was a war state all over. In *A War State All Over Alabama: Politics and the Confederate Cause*, Severance examines the state's political leadership at multiple levels of governance: congressional, gubernatorial, and legislative, and orients much of his analysis around the state elections of 1863. Coming at the war's midpoint, these elections provide an invaluable gauge of popular support for Alabama's role in the Civil War, particularly at a time when the military situation for Confederate forces was looking bleak. The results do not necessarily reflect a society that was unreservedly prowar, but they clearly establish a polity that was committed to an unconditional Confederate victory in spite of the probable costs. Severance's innovative work focuses on the martial character of Alabama's polity while simultaneously acknowledging the widespread angst of Alabama's larger culture and society. In doing so, it puts a human face on the election returns by providing detailed character sketches of the principal candidates that illuminate both their outlook on the war and their role in shaping policy.

A Bloodless Victory Joseph F. Stoltz, 2017-12-24 This study of military historiography examines the changing narrative of the Battle of New Orleans through two centuries of commemoration. Once celebrated on par with the Fourth of July, the anniversary of the Battle of New Orleans is no longer a day of reverence for most Americans. The United States' stunning defeat of the British army on January 8th, 1815, gave rise to the presidency of Andrew Jackson, the Democratic Party, and the legend of Jean Laffite. Yet the battle has not been a national holiday since 1861. Joseph F. Stoltz III explores how generations of Americans have consciously revised, reinterpreted, and reexamined the memory of the conflict to fit the cultural and social needs of their time. Combining archival research with deep analyses of music, literature, theater, and film across two centuries of American popular culture, Stoltz highlights the myriad ways in which politicians, artists, academics, and ordinary people have rewritten the battle's history. From Andrew Jackson's presidential campaign to the occupation of New Orleans by the Union Army to the Jim Crow era, the continuing reinterpretations of the battle alienated whole segments of the American population from its memorialization. Thus, a close look at the Battle of New Orleans offers an opportunity to explore not just how events are collectively remembered across generations but also how a society discards memorialization that is no longer necessary or palatable.

Victorian America and the Civil War Anne C. Rose, 1994-09-30 Anne Rose examines the relationship between American Victorian culture and the Civil War, arguing that Romanticism was at the heart of Victorian culture.

Martial Metaphors Joseph Allan Frank, 2016-07-12 The book draws on letters, diaries, recent books, and articles in history but also relies on multi-disciplinary sources in politics and literature along with transnational comparisons to place the events in a broader perspective. The book invites the reader to embark with the soldiers and some civilians on their journey into the murderous events across the nation. The passage began with the heroic clichés that prevailed during the initial organization and embarkation of the armies. However, the shock of battle and the weary life in camps brought new images of

the war such as a bleak vision seeing the war as a chaotic absurdity others began to suspect conspiratorial agencies behind the conflict yet others sought to galvanize their support for the hard road ahead by invoking melodramatic metaphors as a crusade and means of national redemption and punishment of the adversary As the fighting intensified after the initial clashes of 1862 some believed that the hard war opened the way for imposing revolutionary changes such as upending the South's social structure providing social economic and political equality to a new class the ex slaves Finally there were some who felt the war was a Sophoclean Greek tragedy because the outcome and nature of the war proved contrary to what they had assumed the struggle would be about and what it would be like

Weary of War Joe A. Mobley, 2008-02-28 Providing a fresh look at a crucial aspect of the American Civil War this new study explores the day to day life of people in the Confederate States of America as they struggled to cope with a crisis that spared no one military or civilian Mobley touches on the experiences of everyone on the home front white and black male and female rich and poor young and old native and foreign born He looks at health agriculture industry transportation refugees city life religion education culture families personal relationships and public welfare In so doing he offers his perspective on how much the will of the people contributed to the final defeat of the Southern cause Although no single experience was common to all Southerners a great many suffered poverty dislocation and heartbreak For African Americans however the war brought liberation from slavery and the promise of a new life White women too saw their lives transformed as wartime challenges gave them new responsibilities and experiences Mobley explains how the Confederate military draft heavy taxes and restrictions on personal freedoms led to widespread dissatisfaction and cries for peace among Southern folk He describes the Confederacy as a region of divided loyalties where pro Union and pro Confederate neighbors sometimes clashed violently This readable one volume account of life behind the lines will prove particularly useful for students of the conflict

Household War Lisa Tendrich Frank, LeeAnn Whites, 2020-01-15 Household War restores the centrality of households to the American Civil War The essays in the volume complicate the standard distinctions between battlefield and homefront soldier and civilian and men and women From this vantage point they look at the interplay of family and politics studying the ways in which the Civil War shaped and was shaped by the American household They explore how households influenced Confederate and Union military strategy the motivations of soldiers and civilians and the occupation of captured cities as well as the experiences of Native Americans women children freedpeople injured veterans and others The result is a unique and much needed approach to the study of the Civil War Household War demonstrates that the Civil War can be understood as a revolutionary moment in the transformation of the household order The original essays by distinguished historians provide an inclusive examination of how the war flowed from required and resulted in the restructuring of the nineteenth century household Contributors explore notions of the household before during and after the war unpacking subjects such as home family quarrels domestic service and slavery manhood the Klan prisoners and escaped prisoners Native Americans grief and manhood The essays further

show how households redefined and reordered themselves as a result of the changes stemming from the Civil War **Ruin Nation** Megan Kate Nelson, 2012 During the Civil War cities houses forests and soldiers bodies were transformed into dead heaps of ruins novel sights in the southern landscape How did this happen and why And what did Americans northern and southern black and white male and female make of this proliferation of ruins **Ruin Nation** is the first book to bring together environmental and cultural histories to consider the evocative power of ruination as an imagined state an act of destruction and a process of change Megan Kate Nelson examines the narratives and images that Americans produced as they confronted the war s destructiveness Architectural ruins cities and houses dominated the stories that soldiers and civilians told about the savage behavior of men and the invasions of domestic privacy The ruins of living things trees and bodies also provoked discussion and debate People who witnessed forests and men being blown apart were plagued by anxieties about the impact of wartime technologies on nature and on individual identities The obliteration of cities houses trees and men was a shared experience Nelson shows that this is one of the ironies of the war s ruination in a time of the most extreme national divisiveness people found common ground as they considered the war s costs And yet very few of these ruins still exist suggesting that the destructive practices that dominated the experiences of Americans during the Civil War have been erased from our national consciousness The Journal of Military History , 2008 **Civil War Stories, Volume 2** Greg M. Romaneck, Erin Elizabeth Romaneck, 2009-05-01 This two volume social history offers a unique up close and personal look at the lives of everyday soldiers and civilians refugees slaves infantryman longing to return home and the cost of America s bloodiest war R4599HB 27 00

A People At War Civilians And Soldiers In Americas Civil War Introduction

In the digital age, access to information has become easier than ever before. The ability to download A People At War Civilians And Soldiers In Americas Civil War has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download A People At War Civilians And Soldiers In Americas Civil War has opened up a world of possibilities. Downloading A People At War Civilians And Soldiers In Americas Civil War provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading A People At War Civilians And Soldiers In Americas Civil War has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download A People At War Civilians And Soldiers In Americas Civil War. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading A People At War Civilians And Soldiers In Americas Civil War. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading A People At War Civilians And Soldiers In Americas Civil War, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download A People At War Civilians And Soldiers In Americas Civil War has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous

learning and intellectual growth.

FAQs About A People At War Civilians And Soldiers In Americas Civil War Books

1. Where can I buy A People At War Civilians And Soldiers In Americas Civil War books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
3. How do I choose a A People At War Civilians And Soldiers In Americas Civil War book to read? Genres: Consider the genre you enjoy (fiction, non-fiction, mystery, sci-fi, etc.). Recommendations: Ask friends, join book clubs, or explore online reviews and recommendations. Author: If you like a particular author, you might enjoy more of their work.
4. How do I take care of A People At War Civilians And Soldiers In Americas Civil War books? Storage: Keep them away from direct sunlight and in a dry environment. Handling: Avoid folding pages, use bookmarks, and handle them with clean hands. Cleaning: Gently dust the covers and pages occasionally.
5. Can I borrow books without buying them? Public Libraries: Local libraries offer a wide range of books for borrowing. Book Swaps: Community book exchanges or online platforms where people exchange books.
6. How can I track my reading progress or manage my book collection? Book Tracking Apps: Goodreads, LibraryThing, and Book Catalogue are popular apps for tracking your reading progress and managing book collections. Spreadsheets: You can create your own spreadsheet to track books read, ratings, and other details.
7. What are A People At War Civilians And Soldiers In Americas Civil War audiobooks, and where can I find them? Audiobooks: Audio recordings of books, perfect for listening while commuting or multitasking. Platforms: Audible, LibriVox, and Google Play Books offer a wide selection of audiobooks.
8. How do I support authors or the book industry? Buy Books: Purchase books from authors or independent bookstores. Reviews: Leave reviews on platforms like Goodreads or Amazon. Promotion: Share your favorite books on social media or recommend them to friends.
