American way of life The whole family shares a small apartment in a ghetto and living together is difficult as everybody has got his or her own desire Dream and point of view about certain topics Especially Walter Lee expects a lot from life and the reader sympathizes with him Misunderstood by his family Walter wants to live a better life and represents the concept of the American Dream of a person wanting to rise from rags to riches Walter dreams of an office job and really dislikes being a chauffeur for a white person He wants his son to go to the best schools and to get the best education as possible Furthermore he also wants to spoil his wife and get himself a nice car But why does he fail Why does nobody in his family support his idea of raising an own business namely opening a liquor store Beneatha is not even surprised about Walter's failure These questions shall be answered in the main part of this paper Moreover I quickly want to present the concept of the American Dream especially focusing on the Dream of Upward Mobility
