## **A Red Rose Chain An October Daye Novel:**

**A Red-Rose Chain** Seanan McGuire, 2015-09-01 New York Times bestselling October Daye series Hugo Award winning author Seanan McGuire Top of my urban paranormal series list Felicia Day Things are looking up For the first time in what feels like years October Toby Daye has been able to pause long enough to take a breath and look at her life and she likes what she sees She has friends She has allies She has a squire to train and a King of Cats to love and maybe just maybe she can let her guard down for a change Or not When Queen Windermere's seneschal is elf shot and thrown into an enchanted sleep by agents from the neighboring Kingdom of Silences Toby finds herself in a role she never expected to play that of a diplomat She must travel to Portland Oregon to convince King Rhys of Silences not to go to war against the Mists But nothing is that simple and what October finds in Silences is worse than she would ever have imagined How far will Toby go when lives are on the line and when allies both old and new are threatened by a force she had never expected to face again How much is October willing to give up and how much is she willing to change In Faerie what's past is never really gone It's just waiting for an opportunity to pounce

**Once Broken Faith** Seanan McGuire, 2016-09-06 New York Times bestselling October Daye series Hugo Award winning author Seanan McGuire Top of my urban paranormal series list Felicia Day Includes a brand new map and original bonus novella Politics have never been October Toby Daye's strong suit When she traveled to the Kingdom of Silences to prevent them from going to war with her home the Kingdom of the Mists she wasn't expecting to return with a cure for elf shot and a whole new set of political headaches Now the events she unwittingly set in motion could change the balance of modern Faerie forever and she has been ordered to appear before a historic convocation of monarchs hosted by Queen Windermere in the Mists and overseen by the High King and Queen themselves Naturally things have barely gotten underway when the first dead body shows up As the only changeling in attendance Toby is already the target of suspicion and hostility Now she needs to find a killer before they can strike again and with the doors locked to keep the guilty from escaping no one is safe As danger draws ever closer to her allies and the people she loves best Toby will have to race against time to prevent the total political destabilization of the West Coast and to get the convocation back on track and if she fails the cure for elf shot may be buried forever along with the victims she was too slow to save Because there are worse fates than sleeping for a hundred years

*Night and Silence* Seanan McGuire, 2019-08-27 Now in hardcover the twelfth installment of the Hugo nominated New York Times bestselling Toby Daye urban fantasy series Things are not okay In the aftermath of Amandine's latest betrayal October Toby Daye's fragile self made family is on the verge of coming apart at the seams Jazz can't sleep Sylvester doesn't want to see her and worst of all Tybalt has withdrawn from her entirely retreating into the Court of Cats as he tries to recover from his abduction Toby is floundering unable to help the people she loves most heal She needs a distraction She needs a quest What she doesn't need is the abduction of her estranged human daughter Gillian What she doesn't need is to be accused of kidnapping her own child by her ex boyfriend and his new wife

who seems to be harboring secrets of her own There s no question of whether she ll take the case The only question is whether she s emotionally prepared to survive it Signs of Faerie s involvement are everywhere and it s going to take all Toby s nerve and all her allies to get her through this web of old secrets older hatreds and new deceits If she can t find Gillian before time runs out her own child will pay the price Two questions remain Who in Faerie remembered Gillian existed And what do they stand to gain No matter how this ends Toby s life will never be the same      The Brightest Fell Seanan McGuire,2017-09-05 New York Times bestselling October Daye faerie series Hugo Award winning author Seanan McGuire Top of my urban paranormal series list Felicia Day Contains an original bonus novella Of Things Unknown Things are slow and October Toby Daye couldn t be happier about that The elf shot cure has been approved Arden Windermere is settling into her position as Queen in the Mists and Toby doesn t have anything demanding her attention except for wedding planning and spending time with her family Maybe she should have realized that it was too good to last When Toby s mother Amandine appears on her doorstep with a demand for help refusing her seems like the right thing to do until Amandine starts taking hostages and everything changes Now Toby doesn t have a choice about whether or not she does as her mother asks Not with Jazz and Tybalt s lives hanging in the balance But who could possibly help her find a pureblood she s never met one who s been missing for over a hundred years Enter Simon Torquill elf shot enemy turned awakened uneasy ally Together the two of them must try to solve one of the greatest mysteries in the Mists what happened to Amandine s oldest daughter August who disappeared in 1906 This is one missing person case Toby can t afford to get wrong      Sleep No More Seanan McGuire,2023-09-05 The 17th novel of the Hugo nominated New York Times bestselling October Daye urban fantasy series October is very happy with her life as the second daughter of her pureblood parents Amandine and Simon Torquill Born to be the changeling handmaid to her beloved sister August she spends her days working in her family s tower serving as August s companion and waiting for the day when her sister sets up a household of her own Everything is right in October s Faerie Everything is perfect Everything is a lie October has been pulled from her own reality and thrown into a twisted reinterpretation of Faerie where nothing is as it should be and everything has been distorted to support Titania s ideals Bound by the Summer Queen s magic and thrust into a world turned upside down October has no way of knowing who she can trust where she can turn or even who she really is As strangers who claim to know her begin to appear and the edges of Titania s paradise begin to unravel Toby will have to decide whether she can risk everything she knows based on only their stories of another world But first she ll have to survive this one as Titania demonstrates why she needed to be banished in the first place and this time much more than Toby s own life is at stake      **The Unkindest Tide** Seanan McGuire,2020-08-25 Now in mass market the thirteenth novel of the Hugo nominated New York Times bestselling Toby Daye urban fantasy series Hundreds of years ago the Selkies made a deal with the sea witch they would have the sea for as long as she allowed it and when the time came she would call in all their debts at once Many people assumed that day would never come Those people

were wrong When the Luidaeg October Toby Daye s oldest and most dangerous ally tells her the time has come for the Selkies to fulfill their side of the bargain and that Toby must be a part of the process Toby can t refuse Literally The Selkies aren t the only ones in debt to the Luidaeg and Toby has to pay what she owes like anyone else They will travel to the fabled Duchy of Ships and call a convocation of the Selkies telling them to come and meet the Luidaeg s price or face the consequences Of course nothing is that simple When Dianda Lorden s brother appears to arrest Dianda for treason against the Undersea when a Selkie woman is stripped of her skin and then murdered when everything is falling apart that s when Toby will have to answer the real question of the hour Is she going to sink Or is she going to swim     *The Innocent Sleep*  
Sean McGuire,2023-10-24 The 18th novel of the Hugo nominated New York Times bestselling October Daye urban fantasy series For one bright shining moment Tybalt King of Cats had everything he had ever wanted He was soon to set his crown aside he had married the woman he loved he was going to be a father After centuries of searching for a family of his own he had finally found a way to construct the life of his dreams and was looking forward to a period of peace or at least as much peace as is ever in the offing for the husband of a hero Alas for Tybalt and his domestic aspirations fate and Titania had other ideas His perfect world had been complete for only a moment when it was ripped away to be replaced by hers Titania Faerie s Summer Queen Mother of Illusions and enemy of so many he holds dear has seized control of the Kingdom remaking it in her own image An image which does not include meddlesome shapeshifters getting in her way Tybalt quickly finds himself banished from her reality along with the Undersea and the rest of the Court of Cats To protect his people and his future Tybalt must find the woman he loves in a world designed to keep her from him convince her that he s not a stranger trying to ruin her life for no apparent reason and get her to unmake the illusion she s been firmly enmeshed in And he ll have to do it all while she doesn t know him and every unrecognizing look is a knife to his heart For Tybalt King of Cats the happily ever after was just the beginning     The Rural New-Yorker ,1901     *Editor & Publisher* ,1922     *Rural New Yorker* ,1930
