Cinderella's Secret Angela S. Sullivan, 2009-08-06 There comes a time in every child's life when they are expected to grow up and put away their childish fantasies and beliefs. By the time children enter formal school they are discouraged from using their imagination or believing in magic and miracles. The fairytales they once believed in are replaced with math and science. No longer are they encouraged to believe in Santa Clause or the Easter bunny. In teaching children that imagination and fantasy are childish activities that we must outgrow we have created a people who find it difficult to have the kind of faith that moves mountains and allows one to walk on water. We find it difficult to understand that our realities are created within our own imagination and attitudes. Cinderella's Secret takes a look at some of the valuable life lessons that are contained in simple, childish fairytales in hopes of helping adults rekindle their passion for finding happily ever after.
