## **A New Vision The Mystery Of The Gospel Revealed:**

**A New Vision** Moriah Morningstar, 2011-12 Jehovah Lord of Israel is a demon he spoke evil planned evil and sent forth evil angels He deceived and killed his own people and destroyed the Canaanites Jehovah ordered his servants to murder rape torture and enslave others kill babies plunder and even kill their own children These crimes among others are in the Old Testament Jehovah appeared to Jesus followers pretending to be Jesus raised from the dead He called them fools and commanded them to spread his gospel god spell Jehovah is the Christian Savior not Jesus he keeps your sins in exchange for your soul Jehovah goes by Jesus Christ and Satan When worshiped in either form he feeds on your life force which he needs to exist The core of the gospel is baptism a satanic ritual where demons receive a body When Christians are baptized and receive The Holy Ghost a demon is clothed with a garment of salvation their body The Holy Ghost is the image of The Beast in Revelation 13 12 18 The number of the image s name is 666 In numerology the letter numbers in a word are added and reduced to one digit The name of The Beast s image has three words that all reduce to six The Holy Ghost reduces to 6 6 6 The Beast has the same number as his image His names are Jehovah 6 Yahveh 6 and Mithra 6 Yahveh is usually written Yahweh but the original translation of the Tetragrammaton is YHWH A New Vision reveals Jehovah s conspiracy to control all nations so he can live from generation to generation Is 51 8 His seven horns and eyes in Revelation are demons who control the religions governments economies education civil societies military and health care organizations of the world Other topics include hermaphrodite humans World War II anti gravity spacecraft abductions and implants the CIA the Federal Reserve chemtrails genetically modified food the dangers of vaccines totalitarianism in the US 9 11 FEMA the US public school system corporate control versus free societies saving the US Constitution alternate realities and symbolic language The last chapter is a new vision for the world after we turn off Jehovah s black road of destruction and travel down the good red road of our earth mother If Christians Jews and Muslims reject their Lord Jehovah Allah Satan his Great and Dreadful Day will not come Morningstar White Buffalo Woman and Black Elk will bring the Great Purification Day and Jehovah and his demons will die Morningstar is the true white brother of the Hopi Her two helpers are Black Elk and White Buffalo Woman A New Vision explains Black Elk s great vision and reveals White Buffalo Woman s true message *A New Vision of Reality* Bede Griffiths, 1990 The author invites us to look afresh at Christianity in the context of modern physics on the one hand and Eastern mysticism on the other Scientists now acknowledge that quantitative enquiry can reveal only one aspect of reality and to come to terms with a much deeper transcendent reality we must also be prepared to learn from Eastern traditions The Western mechanistic model of the universe dating from the time of Galileo and Newton must now be replaced with a new organic model this marks a return to the ancient traditional wisdom in which the universe was seen to consist not only of a physical dimension but also of psychological and spiritual dimensions all of which are interrelated and interdependent In exploring the divine mystery behind human life the author seeks to discover the basic unity which underlies all religion and

discusses the concept of the Cosmic Person or Cosmic Lord as revealed in Christianity Hinduism Buddhism and Islam He concludes that a radical vision of a new society and a universal religion in which the essential values of Christianity will be preserved in living relationship with the other religious traditions of the world *Bede Griffiths' Images of God* Beatrice Green,2022-08-19 This book reveals how the images Bede Griffiths OSB Cam used for God are richly embedded with concepts ancient and new making them especially relevant for our current times It prompts insight into the great deposit of wisdom and scholarship that was his source and will benefit those interested in religious imagery gender equality monastic life interfaith dialogue evolution of consciousness practical theology and spirituality and integral thought Led by Christ the Golden String Griffiths made the sea change from Great Britain to India promoting the marriage of East and West the essential value of the feminine contemplative prayer interreligious dialogue and integral life His initiation to Christian sannyasa and faith in the evolutionary process reflect his openness to change and to grow and highlight this great sage s masterful use of images grounded in his motto to always go beyond *Priestly Identity* Thomas J. McGovern,2010-04-01 It is generally accepted that since the end of Vatican II there has been a crisis in the Catholic priesthood This is reflected in two areas in particular defections from the priesthood and a serious decline in vocations primarily in the developed countries of the West John Paul II has addressed this situation many times during his pontificate especially in *Pastores dabo vobis* where he offers a clear theological vision and a program of formation to overcome the current crisis of priestly identity In his new book McGovern offers a deep analysis of the Pope s theology of priesthood drawing not only from *Pastores dabo vobis* but also from his Holy Thursday Letters and other important writings on this topic In this study the author deals with core aspects of priestly identity under three main headings theological spiritual and pastoral in the context of service to the lay faithful and the evangelization required of the Church in the new millennium
