A Personal Stand Observations And Opinions From A Freethinking Roughneck:

A Personal Stand Trace Adkins, 2007-10-23 Country music superstar Trace Adkins isn't exactly known for holding back what's on his mind. And if the millions of albums he's sold are any indication, when Trace talks, people listen. Now in **A Personal Stand**, Trace Adkins delivers his maverick manifesto on politics, personal responsibility, fame, parenting, being true to yourself, hard work, and the way things oughta be. In his inimitable pull-no-punches style, Trace gives us the state of the union as he sees it from the lessons of his boyhood in small town Louisiana to what he's learned headlining concerts around the world. Trace has worked oil rigs in the Gulf of Mexico, been shot in the heart, been inducted into the Grand Ole Opry, and braved perhaps the greatest challenge of all: being the father of five daughters. And shaped by these experiences, he's sounding off. I'm incredibly frustrated with the state of American politics. If there were a viable third party, I'd seriously consider joining it. If anybody wonders who the good guys are and who the bad guys are in this world, just look at the way we teach our children, as opposed to the way the fundamentalist Muslims teach their children. Organized labor now exists for the sake of organized labor and not for the workers it once protected. I believe the easiest way to solve the illegal immigration enforcement problem is to go after the employers who hire illegal aliens. As a society, we're unwilling to sacrifice our luxuries and our conveniences in order to conserve. We won't change until we're forced to. The war on terror is like herpes. People can live with it, but it'll flare up from time to time. Brash, ballsy, persuasive, and controversial, **A Personal Stand** isn't just the story of Trace Adkins's life; it's the story of what life can teach all of us.

Ideological Violence Tyrrrr Express, 2010-04-07 *Ideological Violence* is dedicated to the enraged mobs who try to destroy everything that is decent and right with this world through any means necessary. Islamofascist Jihadists use bombs. So have many environmentalists, animal rights activists, college professors, college protesters, community organizers, and other leftist organizations that truly believe in forcing their world view on innocent Americans trying to live their lives in peace and quiet. Hollywood sanitizes violence when committed by third world genocidal lunatics while glorifying violence against CPAs wearing red and blue diagonal neckties. The author's Judaism has shown him a plethora of liberal Jews that shrug off Osama

Bin Laden wielding a bomb and preaching Jihad but froth at the mouth over Pat Robertson wielding a book and preaching love thy neighbor His goal is to end ideological violence and force liberals to confront their own pathological demons and stop blaming conservatives for their own failures Once they realize that we are human beings we can come together and work on solutions to benefit the world If the left insists on war war is what they will get and they will be crushed If this makes him a hero to conservatives resulting in him being sandwiched between a pair of hot Republican Jewish brunettes who fan him and drop grapes into his mouth all the better

I'd Fight the World Peter La Chapelle, 2019-09-11 A educational interesting and very easy to read history of the bond between country music and politics in America Harry Reid Long before the United States had presidents from the world of movies and reality TV we had scores of politicians with connections to country music In *I d Fight the World* Peter La Chapelle traces the deep bonds between country music and politics from the nineteenth century rise of fiddler politicians to more recent figures like Pappy O Daniel Roy Acuff and Rob Quist These performers and politicians both rode and resisted cultural waves some advocated for the poor and dispossessed and others voiced religious and racial anger but they all walked the line between exploiting their celebrity and righteously taking on the world La Chapelle vividly shows how country music campaigners have profoundly influenced the American political landscape Praise for *I d Fight the World* Thoroughly researched and insightful *I d Fight the World* exposes the political themes embedded in country music of all stripes as well as the sometimes subtle sometimes blatant always shrewd employment of this music by politicians La Chapelle reveals a political legacy in country music that today s audiences have an obligation to confront

Jocelyn Neal author of *Country Music A Cultural and Stylistic History* In this well written and expansive book La Chapelle narrates a national history of politics and country music from nineteenth century populism to post World War II conservatism *I d Fight the World* demonstrates how both political and cultural history can shine light upon each other creating a rich tapestry of scholarship David Gilbert author of *The Product of Our Souls* Lively and informative This book will surprise those who have preconceived notions about country music and Southern politicians and their longstanding connection Library Journal A deeply researched examination of the ways that country and old time music have been coopted into political life La Chapelle traces the not especially healthy relationship between country music and populism La Chapelle s exhaustive examination of his subject uncovers many untold stories and raises interesting questions about whether country music has yet truly reckoned with its political past Times Literary Supplement
