Cuglesan, Keith Henderson**

A Recast Partnership Institutional Dimensions Of Transatlantic Relations Significant Issues Series:

A Recast Partnership? Simon Serfaty, 2008 With new leaders in place in Germany France and Britain and with elections in Russia Spain Italy and the United States in 2008 the stage is set for change and a new transatlantic beginning in 2009 The contributors to this volume offer an agenda for action not to reinvent either NATO or the European Union but rather to recast these two main institutional dimensions of the transatlantic partnership in ways that can make each better suited to the other and make both more effectively prepared to help their 32 members address the issues security economic political and societal they face in common BOOK JACKET

A Recast Partnership? Simon Serfaty, 2008-03-03 With new leaders in place in Germany France and Britain and with elections in Russia Spain Italy and the United States in 2008 the stage is set for change and a new transatlantic beginning in 2009 The contributors to this volume offer an agenda for action not to reinvent either NATO or the European Union but rather to recast these two main institutional dimensions of the transatlantic partnership in ways that can make each better suited to the other and make both more effectively prepared to help their 32 members address the issues security economic political and societal they face in common BOOK JACKET

The New and Changing Transatlanticism Laurie Buonanno, Natalia Cuglesan, Keith Henderson, 2015-03-24 The European Union and the US are currently negotiating the Transatlantic Trade and Investment Partnership TTIP with potentially enormous economic gains for both partners Experts from the European Union and the US explore not only the groundwork laid for TTIP under the New Transatlanticism but also the key variables economic cultural institutional and political shaping transatlantic policy outcomes Divided into four parts Part I consisting of three chapters contextualizes the transatlantic relationship with an historical survey contemporary foreign relations and policy and cultural dynamics Together these chapters provide the background for understanding the evolving nature of the EU US relationship Part II of this volume focuses on governance and comprises two chapters one on transatlantic governance and the other administrative culture Part III consists of six policy chapters competition trade transport mobility regimes financial services regulation and GMOs Part IV consisting of three chapters explores prospects and challenges associated with transatlanticism including the TTIP The last chapter concludes with lessons learned and future challenges with respect to policy convergence the nature of the EU US relationship power resources and bargaining within the transatlantic partnership and an assessment of the future of deeper cooperation and integration This insightful account into policy cooperation between the EU and the US is a welcomed resource for policy specialists oriented toward comparative public policy wishing to enter the arena of Transatlantic Studies

Transatlantic Relations and Modern Diplomacy Sudeshna Roy, Dana Cooper, Brian Murphy, 2013-12-17 This book explores the transatlantic relationship between the US and Europe from multiple perspectives and disciplines Since the end of the Cold War a multi polar world has replaced the dual power economic and political stranglehold previously shared by the US and Russia Amid the shift in power politics the transatlantic partnership between the US and Europe has retained its importance

in shaping the outcome of future global developments With the rise of the US as a major world power and the tremendous economic growths witnessed by countries such as China India and Brazil the political power structures within and outside the transatlantic relations have gradually undergone shifts that are important to recognise understand and critically assess on a consistent basis Transatlantic Relations and Modern Diplomacy assesses the strengths and weaknesses of this enduring transatlantic relationship from multiple perspectives and disciplines at a time when the US and European countries are facing increasing economic pressures significant political changes and substantial security concerns Examining this relationship through a range of different lenses including historical economic and cultural this book highlights the importance of examining the transatlantic relationship from a variety of different contextual and historical perspectives in order to herald the future changes as informed global citizens This book will be of interest to students of transatlantic studies diplomacy political science and IR in general

Transatlantic Relations in Times of Uncertainty Marianne Riddervold, Akasemi Newsome, 2020-06-29 Ties between the United States US and the European Union EU rival those between any other pair of international actors After all no other regions of the world are as closely connected in economics security and politics as Europe and the US This comprehensive volume makes conceptual progress and empirical contributions in accounting for how EU US relations have been impacted by a context of multiple EU crises alongside a parallel change in US policies The authors find strong evidence to suggest that the transatlantic relationship is weakening This is partly a consequence of the EU s internal policies as it becomes more unified and autonomous of the US in some areas while fragmenting in others Most importantly it is a consequence of the two actors increasingly diverging perspectives and positions on international issues institutions norms and indeed the value of the transatlantic relationship Although the long term effects remain to be seen it is likely that the cracks in the foundation of transatlantic relations will continue into the present and foreseeable future This book was originally published as a special issue of the Journal of European Integration

Visions of America and Europe Christina V. Balis, Simon Serfaty, 2004 Antologi Indeholder en unders gelse af de transatlantiske forbindelser siden terrorangrebene d 11 september 2001 i USA samt den efterf lgende krig i Irak Bogen s ger at identificere de grupper som skaber politiken og offentlighedens opfattelse af relationerne p begge sider af Atlanteren Ligeledes fors ger den at spore oprindelsen til den opst ede splid efter 11 september samt at belyse de nuv rende og fremtidige udfordringer til de bilaterale relationer og forholdet generelt mellem USA og Europa Perspektiverne blyses ved fem europ iske bidragydere med fokus prim rt p England Frankrig Tyskland Italien og Rusland og suppleret med tre amerikanske bidragydere

The Transatlantic Relationship Jarrod Wiener, 2016-07-27 The Transatlantic Relationship written by a group of experts drawn from both sides of the Atlantic examines the security trade and cultural aspects of the United States European Union relationship It focuses in particular on the politics of alliance reconfigurations especially with regard to NATO the NACC and the OSCE the new issues in the new World Trade Organization the structural factors affecting

NAFTA EU relations and the cultural dimensions of the relationship
The Future of Transatlantic Relations Andrew Dorman, Joyce Kaufman, 2010-11-29 This contributed volume provides a valuable comparative examination of the state of transatlantic relations. The comparative approach utilized highlights the often understudied differences in perception and policy that exist across European and North American states towards the idea and practice of the transatlantic relationship

Perceptions and Policy in Transatlantic Relations Natividad Fernández Sola, Michael Smith, 2009 In this book experts from both sides of the Atlantic examine the recent tensions between Western Europe and the United States over such issues as transatlantic security policies towards terrorism and relations with Russia and the former Soviet Union against the broader background of perceptions and misperceptions in transatlantic relations. Drawing on Professor Robert Jervis' work *Perceptions and Misperceptions in International Politics* this book examines whether Jervis' thesis has a new relevance given the current challenges in transatlantic relations. Some of the issues examined include perceptions and misperceptions in general focusing on US foreign policy issues of decision making and implementation and issues of alliance management the capacity of the United States and the European Union to cooperate effectively within the broader transatlantic framework studies focusing on the alliance security dilemma and the transatlantic security community case studies of transatlantic relations in the war on terror and relations with Russia the present and future of the western alliance. Providing a global and multilateral analysis from American and European perspectives and exploring fields of cooperation and competition *Perceptions and Policy in Transatlantic Relations* will be of strong interest to students of International Relations American politics and European politics

Transatlantic Relations Xenia Wickett, 2018-06-12 The rhetoric of the 2016 US election campaign and the evidence of President Donald Trump's first year in office both point to the reality that in the short term at least European policymakers will need to take into consideration an uncertain populist and conflictual US government that is focused on its narrow definition of America's national interests to the exclusion of those of its long standing allies. Over the past year Trump has taken multiple policy positions that are antithetical to those of most European powers. He has signalled the withdrawal of the US from the Paris Agreement questioned the viability of NATO disavowed the Iran nuclear deal and most recently recognized Jerusalem as Israel's capital. In Europe meanwhile significant attention and political energy has been taken up with maintaining the credibility and coherence of the EU while managing the intended exit of the UK. This risks diverting focus and capacity away from common global concerns. Compounding this has been the rise of populism and nationalism in many states which has increasingly challenged the supranational and internationalist ethos of the EU and has restricted the scope for political leaders to act in accordance with its long held principles. In this environment of significant political uncertainty on both sides of the Atlantic is the relationship between the US and its European allies at risk of long term divergence or do recent areas of apparent policy difference reflect more cyclical trends that can be ridden out. This report the culmination of a three year research project by the US and the Americas Programme at Chatham House explores

the long standing and fundamental drivers of US and European policymaking and sets out recommendations to address the key structural factors that threaten the durability of transatlantic relations Drawing on insights from a series of scenario workshops and case studies the report examines the major influencing factors in recent US and European foreign policy decision making Of these three sets of critical factors demographics access to food and energy resources and the integrity of international institutions are identified as structural and in that they affect the transatlantic partners differently as likely to lead to long term divergence if not managed carefully A number of additional factors could cause divisions between the US and Europe such as economics differing capabilities particularly military capabilities leadership personalities and political polarization However while these factors may cause real and meaningful shorter term disruptions they are more transient in nature and thus pose less of a long term threat to the transatlantic relationship During the current period of political uncertainty and flux progress on specific transatlantic goals from free trade to environmental protection may halt or even go into reverse particularly if they are dependent on senior government leadership In some cases there may still be room for manoeuvre through traditional bureaucratic channels In others however transatlantic coordination will best be led by other interests be they cities regional state leaders or non state actors The report makes the case that while the transatlantic relationship may currently be traversing a period of divergence this need not lead to a structural split over the longer term Notwithstanding the present choppy waters the fundamentals in relations between the US and Europe remain strong and the prospects are mostly positive It will be important however that leaders on both sides of the Atlantic maintain their focus on the structural drivers of potential convergence and divergence and take steps to mitigate the risks of long term divisions chief among them Valuing transatlantic cooperation as a goal in and of itself Supporting transatlantic immigration Reinforcing transatlantic energy flows Rebuilding and strengthening institutions and norms Better assessing and balancing US and European capabilities Conducting joint analysis Promoting transatlantic bridges between non state actors Engaging more often in transatlantic public debate

Transatlantic Relations Donald Abelson,Stephen Brooks,2022-03-30 This book explains how and why the transatlantic relationship has remained resilient despite persistent differences in the preferences approaches and policies of key member states It covers topics ranging from the history of transatlantic relations North Atlantic Treaty Organization and security issues trade human rights and the cultural sinews of the relationship to the impacts of COVID 19 climate change think tanks the rise of populism public opinion and the triangular relationship between the United States US Europe and China The book also conceptualizes resilience as a quality arising from myriad forms of interdependence This interdependence helps shed light on the Atlantic partnership s capacity to withstand serious disagreements such as those that occurred during the Reagan George W Bush and Trump presidencies With a principal focus on the US and Europe the contributors to the volume also employ Canadian case studies to provide a unique and useful corrective This book will interest all intermediate and senior undergraduate as well as graduate courses on relations between

the US and Europe American foreign policy and European Union foreign policy A specialist readership that includes academic and think tank researchers policy practitioners and opinion leaders will also benefit from this timely volume

The Future of Transatlantic Relations Robert D. Blackwill, 1999 Notable opportunities presently exist for the U S European relationship to help mold the next century's international system The prescriptions contained in this Independent Task Force Report The Future of Transatlantic Relations seek to intensify such a partnership Some reinforce current administration policy especially with respect to European security and political economy Some policy suggestions go against administration policies particularly outside Europe The entire thrust of the report's ambitious prescriptions however requires more vigorous and active presidential and congressional leadership than has often been seen in recent years The most important departure from present U S policy is the report's emphasis on drawing Europe over time much further into a global strategic partnership with the United States to help shape the new era This Task Force chaired by Robert D Blackwill of the John F Kennedy School of Government and an Adjunct Senior Fellow at the Council on Foreign Relations included a highly diverse and experienced group of American and European policymakers diplomats analysts and business and opinion leaders

Transatlantic Relations Shayerah Ilias Akhtar, Paul Belkin, Derek E Mix, 2019-06-06 For the past 70 years the United States has been instrumental in leading and promoting a strong U S European partnership Often termed the transatlantic relationship this partnership has been grounded in the U S led post World War II order based on alliances with like minded democratic countries and a shared U S European commitment to free markets and an open international trading system Transatlantic relations encompass the North Atlantic Treaty Organization NATO the European Union EU close U S bilateral ties with most countries in Western and Central Europe and a massive interdependent trade and investment partnership Despite periodic U S European tensions successive U S Administrations and many Members of Congress have supported the broad transatlantic relationship viewing it as enhancing U S security and stability and magnifying U S global influence and financial clout Transatlantic Relations and the Trump Administration The transatlantic relationship currently faces significant challenges President Trump and some members of his Administration have questioned the strategic value and utility of NATO to the United States and they have expressed considerable skepticism about the fundamental worth of the EU and the multilateral trading system President Trump repeatedly has voiced concern that the United States bears an undue share of the transatlantic security burden and that EU trade policies are unfair to U S workers and businesses U S European policy divisions have emerged on a wide range of regional and global issues from certain aspects of relations with Russia and China to policies on Iran Syria arms control and climate change among others The United Kingdom's pending departure from the EU Brexit also could have implications for U S security and economic interests in Europe The Trump Administration asserts that its policies toward Europe seek to bolster the transatlantic relationship by ensuring that European allies and friends are equipped to work with the United States in confronting the challenges posed by an

increasingly competitive world Administration officials maintain that the US commitment to NATO and European security remains steadfast President Trump has backed new NATO initiatives to deter Russian aggression and increased US troop deployments in Europe The Administration also contends that it is committed to working with the EU to resolve trade and tariff disputes as signaled by its intention to launch new US EU trade negotiations Supporters credit President Trump's approach toward Europe with strengthening NATO and compelling the EU to address US trade concerns Critics argue that the Administration's policies are endangering decades of US European cooperation that have advanced key US geostrategic and economic interests Some analysts suggest that current US European divisions are detrimental to transatlantic cohesion and represent a win for potential adversaries such as Russia and China Many European leaders worry about potential US global disengagement and some argue that Europe must be better prepared to address both regional and international challenges on its own

New Perspectives on Transatlantic Relations Jürgen Gebhardt, Stefan Fröhlich, Jasmin Falk, 2021 The post World War II order of an Atlantic West based on common values emerged from a complex conflict ridden Atlantic history and established itself as a powerful actor in world politics 00This volume critically addresses the topics processes and problems of transatlantic relations from a multi disciplinary angle and marked by a worldwide pandemic It thematizes the political economic and cultural dimensions from the seventeenth century to today and reflects them in categories of order and disorder cooperation and conflict convergence and divergence to get a deeper understanding of the present critical state of transatlanticism the American retrenchment and the vanishing American vision of world leadership in terms of America First politics the respective consequences impacting on the political and military development of the NATO alliance and the Euro American relations

Ever Closer Partnership Eric Philippart, Pascaline Winand, 2001 In 1990 the signature of the Transatlantic Declaration marked the formal recognition of the European Community as the third main element in the transatlantic institutional architecture alongside NATO and bilateral relationships Five years later US EU relations took another major step forward with the adoption of a New Transatlantic Agenda NTA This volume puts this evolution into historical perspective by identifying the enduring features of the relationship At the dawn of the Bush administration and in the wake of the Nice Treaty it also makes a bold attempt at assessing the current state of US EU relations notably by taking stock of the changes introduced via the New Transatlantic Agenda Aimed at practitioners and academics alike and going well beyond a general overview of transatlantic relations it first explores the evolution of structures and processes in US EU relations while paying special attention to the policy shaping and policy making strategies of public and private actors Focusing on the post NTA record it then endeavours to assess explain and evaluate the policy outcomes of EU US relations Leading authors and practitioners in the field took part in the elaboration of this book Maria Green Cowles Youri Devuyst Thomas Frelesen Anthony Gardner Roy Ginsberg Alan Henrikson John Peterson Alberta Sbragia Ren Schwok Michael Smith

A Recast Partnership Institutional Dimensions Of Transatlantic Relations Significant Issues Series Introduction

In today's digital age, the availability of A Recast Partnership Institutional Dimensions Of Transatlantic Relations Significant Issues Series books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of A Recast Partnership Institutional Dimensions Of Transatlantic Relations Significant Issues Series books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of A Recast Partnership Institutional Dimensions Of Transatlantic Relations Significant Issues Series books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing A Recast Partnership Institutional Dimensions Of Transatlantic Relations Significant Issues Series versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, A Recast Partnership Institutional Dimensions Of Transatlantic Relations Significant Issues Series books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing A Recast Partnership Institutional Dimensions Of Transatlantic Relations Significant Issues Series books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it

an excellent resource for literature enthusiasts. Another popular platform for A Recast Partnership Institutional Dimensions Of Transatlantic Relations Significant Issues Series books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, A Recast Partnership Institutional Dimensions Of Transatlantic Relations Significant Issues Series books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of A Recast Partnership Institutional Dimensions Of Transatlantic Relations Significant Issues Series books and manuals for download and embark on your journey of knowledge?

FAQs About A Recast Partnership Institutional Dimensions Of Transatlantic Relations Significant Issues Series Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. A Recast Partnership Institutional
