**Challenger Park** Stephen Harrigan,2007-07-31 As Lucy Kincheloe an astronaut married to another astronaut and a mother of two young children prepares to achieve her dream of space flight aboard the shuttle her personal life begins to unravel     *Raising Test Scores Using Parent Involvement* William L. Callison,2004 A critical dimension of effective schooling is parent involvement Research has shown conclusively that parent involvement at home improves student achievement Furthermore when parents are involved at school children accomplish more and attend better schools In this book William Callison focuses on the role of parents in helping their children succeed in school There is increasing evidence that parent involvement increases test scores New research by Hoxby indicates that family factors are more than 11 times as influential as school factors in predicting student performance Callison contends that there s an excellent opportunity to make changes based on experience in many schools that are dealing with the need to set high standards and institute programs that will be successful Special Features Identifies programs and strategies that are working Uses the PTA s National Standards for Parent Family Involvement Program as a guide Callison also favors raising standards where high levels of assistance are provided to staff not the testing approach where students may be retained in grade because of a single test score In the programs that are seeking to help students improve their performance in a variety of assessments how did they get parents involved in a meaningful way The author answers this and many more pertinent questions For PTA members teachers and administrators     *Educational Leadership, Culture, and Success in High-Need Schools* Elizabeth T. Murakami,David Gurr,Ross Notman,2019-05-09 This volume explores the intersection of leadership practices school culture and success in high need contexts It presents original research and reanalysis offering lessons for school improvement The book addresses socioeconomic and other challenges providing strategies for creating sustainable learning environments     **Visions for Teacher Educators** Cari L. Klecka,2009-02-16 This book seeks to not only articulate a vision for the profession through Standards for Teacher Educators but also provide a historical perspective of and explore the issues surrounding these standards To accomplish this the book establishes the history of teacher education as a discipline defines who is a teacher educator and provides a historical foundation for these standards The reader is then presented with a set of mini chapters designed to conceptualize a vision for teacher educators through each of the nine standards Featuring voices of eductors in diverse fields the third section expands thinking about the standards and how they may or may not apply to others The final section provides viewpoints on Standards for Teacher Educators and the potential impact of such standards on the profession
