Back To School Picky Little Witch:

Back to School, Picky Little Witch! Elizabeth Brokamp, 2014-01-14 It's back to school for the Picky Little Witch. She'll need a jar of red newts, eyes, boxes of toads for spell practice and a black cauldron. But when she and Mama Witch head for Witches R Us, the battles begin over which items Mama recommends and which items the Picky Little Witch really wants. Young readers will see the art of compromise in action, stirred with a dash of gratitude for wise mothers everywhere. A to Zoo Rebecca L. Thomas, 2018-06-21 Whether used for thematic story times, program and curriculum planning, readers advisory, or collection development, this updated edition of the well-known companion makes finding the right picture books for your library a breeze. Generations of savvy librarians and educators have relied on this detailed subject guide to children's picture books for all aspects of children's services, and this new edition does not disappoint. Covering more than 18,000 books published through 2017, it empowers users to identify current and classic titles on topics ranging from apples to zebras. Organized simply with a subject guide that categorizes subjects by theme and topic and subject headings arranged alphabetically, this reference applies more than 1,200 intuitive, as opposed to formal catalog subject terms, to children's picture books, making it both a comprehensive and user-friendly resource that is accessible to parents and teachers as well as librarians. It can be used to identify titles to fill in gaps in library collections, to find books on particular topics for young readers, to help teachers locate titles to support lessons or to design thematic programs and story times. Title and illustrator indexes, in addition to a bibliographic guide arranged alphabetically by author name, further extend access to titles. *Little Witch Goes to School* Deborah Hautzig, 1998-08-04 Little Witch wants to go to school just like her friends, but her mother thinks she should stay home and learn from her witchy aunts. The third book in the popular Little Witch series, *Little Witch Goes to School* has all the mixed-up magic and quirky humor kids have come to love in the first two books. **The Picky Little Witch** Elizabeth Brokamp, 2011 Mama Witch tries to get her daughter to eat some Halloween soup before going out to trick or treat, but Picky Little Witch finds many reasons to refuse.
