Backgrounds Dubliners Routledge Library Editions Ebook:

Backgrounds for Joyce's Dubliners Donald T. Torchiana, 2015-12-22 First published in 1986 *Dubliners* was James Joyce's first major publication. Setting it at the turn of the century, Joyce claims to hold up a nicely polished looking glass to the native Irishman. In *Backgrounds for Joyce's Dubliners*, the author examines the national, mythic, religious, and legendary details which Joyce builds up to capture a many-sided performance and timelessness in Irish life. Acknowledging the serious work done on *Dubliners* as a whole in this study, Professor Torchiana draws upon a wide range of published and unpublished sources to provide a scholarly and satisfying framework for Joyce's world of the inept and the lower middle class. He combines an understanding of Joyce's subtleties with a long-standing personal knowledge of Dublin. This title will make fascinating reading for scholars and students of Joyce's writing as well as for those interested in early twentieth-century Irish social history.
