

BACKING HITLER: CONSENT AND COERCION IN NAZI GERMANY

By Robert Gellately. Oxford: Oxford University Press, 2001. 359 pp.

As early as the 1930s, articles on the systematic persecution of Jews and the use of concentration camps appeared without restraint in the *Völkische Beobachter*, initially the NSDAP party paper, but soon to become Germany's leading newspaper.

Since Hitler's election in 1933, the Nazi press and those papers well-disposed to the Nazis described what was going to happen to Jews, Communists, homosexuals, and other "enemies of the people." Hitler had already made his views on this matter public in *Mein Kampf* in 1925. When, eight years later, the NSDAP came to power by popular vote, the party's "spin doctors" had fully understood how easy it was to activate the widespread latent anti-Semitism. In short, *Backing Hitler* is about public opinion in Nazi Germany.

With minister of propaganda Joseph Goebbels leading the way, the Nazis worked hard to turn Germany into a country governed by modern mass media. The rulers did not bother to lend the merest semblance of legitimacy to their acts of repression. On the contrary, on 24 February 1934, newspaper editors were instructed that it was undesirable to write about criminals being "sentenced" to death. It was preferable to state simply that such a person had been "executed." The paradox of the German police state was that the Nazis understood that every radicalization had to be publicized widely in order to gain popular support.

Citizens under a dictatorship do not read the paper less often because they know it is being censored. Bearing this knowledge of Goebbels in mind, it is fascinating to investigate what the Nazis wished to bring out in the open, rather than concentrating on what information they suppressed.

Backing Hitler Consent And Coercion In Nazi Germany

Mosche Zimmermann

Backing Hitler Consent And Coercion In Nazi Germany:

Backing Hitler Robert Gellately, 2001 The Nazis never won a majority in free elections but soon after Hitler took power most people turned away from democracy and backed the Nazi regime Hitler won growing support even as he established the secret police Gestapo and concentration camps What has been in dispute for over fifty years is what the Germans knew about these camps and in what ways were they involved in the persecution of race enemies slave workers and social outsiders To answer these questions and to explore the public sides of Nazi persecution Robert Gellately has consulted an array of primary documents He argues that the Nazis did not cloak their radical approaches to law and order in utter secrecy but played them up in the press and loudly proclaimed the superiority of their system over all others They publicized their views by drawing on popular images cherished German ideals and long held phobias and were able to win over converts to their cause The author traces the story from 1933 and shows how war and especially the prospect of defeat radicalized Nazism As the country spiralled toward defeat Germans for the most part held on stubbornly For anyone who contemplated surrender or resistance terror became the order of the day

Backing Hitler Robert Gellately, 2001-03-08 The Nazis never won a majority in free elections but soon after Hitler took power most people turned away from democracy and backed the Nazi regime Hitler won growing support even as he established the secret police Gestapo and concentration camps What has been in dispute for over fifty years is what the Germans knew about these camps and in what ways were they involved in the persecution of race enemies slave workers and social outsiders To answer these questions and to explore the public sides of Nazi persecution Robert Gellately has consulted an array of primary documents He argues that the Nazis did not cloak their radical approaches to law and order in utter secrecy but played them up in the press and loudly proclaimed the superiority of their system over all others They publicized their views by drawing on popular images cherished German ideals and long held phobias and were able to win over converts to their cause The author traces the story from 1933 and shows how war and especially the prospect of defeat radicalized Nazism As the country spiralled toward defeat Germans for the most part held on stubbornly For anyone who contemplated surrender or resistance terror became the order of the day

Family Punishment in Nazi Germany R. Loeffel, 2012-05-29 In the Third Reich political dissidents were not the only ones liable to be punished for their crimes Their parents siblings and relatives also risked reprisals This concept known as Sippenhaft was based in ideas of blood and purity This definitive study surveys the threats fears and infliction of this part of the Nazi system of terror

Hitler and Nazi Germany Jackson J. Spielvogel, David Redles, 2020-05-05 Hitler and Nazi Germany A History is a brief but comprehensive survey of the Third Reich based on current research findings that provides a balanced approach to the study of Hitler's role in the history of the Third Reich The book considers the economic social and political forces that made possible the rise and development of Nazism the institutional cultural and social life of the Third Reich World War II and the Holocaust World War II and the Holocaust are presented as logical outcomes of the ideology of Hitler and the Nazi

movement This new edition contains more information on the Kaiserreich Imperial Germany as well as Nazi complicity in the Reichstag Fire and increased discussion of consent and dissent during the Nazi attempt to create the ideal Volksgemeinschaft people's community It takes a greater focus on the experiences of ordinary bystanders perpetrators and victims throughout the text includes more discussion of race and space and the final chapter has been completely revised Fully updated the book ensures that students gain a complete and thorough picture of the period and issues Supported by maps images and thoroughly updated bibliographies that offer further reading suggestions for students to take their study further the book offers the perfect overview of Hitler and the Third Reich Nazi Germany Catherine A. Epstein, 2015-01-27

Nazi Germany Confronting the Myths provides a concise and compelling introduction to the Third Reich At the same time it challenges and demystifies the many stereotypes surrounding Hitler and Nazi Germany Creates a succinct argument driven overview for students by using common myths and stereotypes to encourage critical engagement with the subject Provides an up to date historical synthesis based on the latest research in the field Argues that in order to fully understand and explain this period of history we need to address its seeming paradoxes for example questioning why most Germans viewed the Third Reich as a legitimate government despite the Nazis criminality Incorporates useful study features including a timeline glossary maps and illustrations Nazi Germany: A Very Short Introduction Jane Caplan, 2019-07-25 Any consideration of the 20th century would be incomplete without a discussion of Nazi Germany an extraordinary regime which dominated European history for 12 years and left a legacy that still echoes with us today The incredible force of the destructive vision at the heart of Nazi Germany led to a second world war when the world was still aching from the first one and an incomprehensible death count both at home and abroad In this Very Short Introduction Jane Caplan's insightful analysis of Nazi Germany provides a highly relevant reminder of the fragility of democratic institutions and the ways in which the exploitation of national fears mass political movements and frail political opposition can lead to the imposition of dictatorship Considering the emergence and popular appeal of the Nazi party she discusses the relationships between belief consent and terror in securing the regime alongside the crucial role played by Hitler himself Covering the full history of the regime she includes an unflinching look at the dark stains of war persecution and genocide At the same time Caplan offers unexpected angles of vision and insights asking readers to look behind the handful of over used images of Nazi Germany we are familiar with and to engage critically with a history that that is so abhorrent it risks seeming beyond interpretation

ABOUT THE SERIES The Very Short Introductions series from Oxford University Press contains hundreds of titles in almost every subject area These pocket sized books are the perfect way to get ahead in a new subject quickly Our expert authors combine facts analysis perspective new ideas and enthusiasm to make interesting and challenging topics highly readable **Hitler's True Believers** Robert Gellately, 2020 Nazi ideology drove Hitler's quest for power in 1933 colored everything in the Third Reich and culminated in the Second World War and the Holocaust In this book Gellately addresses often debated questions about

how Hitler discovered the ideology and why millions adopted aspects of National Socialism without having laid eyes on the leader or reading his work

Hitler's Jewish Soldiers Bryan Mark Rigg, 2002 On the murderous road to racial purity Hitler encountered unexpected detours largely due to his own crazed views and inconsistent policies regarding Jewish identity After centuries of Jewish assimilation and intermarriage in German society he discovered that eliminating Jews from the rest of the population was more difficult than he had anticipated As Bryan Rigg shows in this provocative new study nowhere was that heinous process more fraught with contradiction and confusion than in the German military Contrary to conventional views Rigg reveals that a startlingly large number of German military men were classified by the Nazis as Jews or partial Jews Mischlinge in the wake of racial laws first enacted in the mid 1930s Rigg demonstrates that the actual number was much higher than previously thought perhaps as many as 150 000 men including decorated veterans and high ranking officers even generals and admirals As Rigg fully documents for the first time a great many of these men did not even consider themselves Jewish and had embraced the military as a way of life and as devoted patriots eager to serve a revived German nation In turn they had been embraced by the Wehrmacht which prior to Hitler had given little thought to the race of these men but which was now forced to look deeply into the ancestry of its soldiers The process of investigation and removal however was marred by a highly inconsistent application of Nazi law Numerous exemptions were made in order to allow a soldier to stay within the ranks or to spare a soldier's parent spouse or other relative from incarceration or far worse Hitler's own signature can be found on many of these exemption orders But as the war dragged on Nazi politics came to trump military logic even in the face of the Wehrmacht's growing manpower needs closing legal loopholes and making it virtually impossible for these soldiers to escape the fate of millions of other victims of the Third Reich Based on a deep and wide ranging research in archival and secondary sources as well as extensive interviews with more than four hundred Mischlinge and their relatives Rigg's study breaks truly new ground in a crowded field and shows from yet another angle the extremely flawed dishonest demeaning and tragic essence of Hitler's rule

Hitler's Police Battalions Edward B. Westermann, 2005 When the German Wehrmacht swarmed across Eastern Europe an elite corps followed close at its heels Along with the SS and Gestapo the Ordnungspolizei or Uniformed Police played a central role in Nazi genocide that until now has been generally neglected by historians of the war Beginning with the invasion of Poland the Uniformed Police were charged with following the army to curb resistance pacify the countryside patrol Jewish ghettos and generally maintain order in the conquered territories Edward Westermann examines how this force emerged as a primary instrument of annihilation responsible for the murder of hundreds of thousands of the Third Reich's political and racial enemies In Hitler's Police Battalions he reveals how the institutional mindset of these ordinary policemen allowed them to commit atrocities without a second thought To uncover the story of how the German national police were fashioned into a corps of political soldiers Westermann reveals initiatives pursued before the war by Heinrich Himmler and Kurt Daluege to create a culture within the

existing police forces that fostered anti-Semitism and anti Communism as institutional norms Challenging prevailing interpretations of German culture Westermann draws on extensive archival research including the testimony of former policemen to illuminate this transformation and the callous organizational culture that emerged Purged of dissidents indoctrinated to idolize Hitler and trained in military combat these police battalions often numbering several hundred men repeatedly conducted actions against Jews Slavs gypsies asocials and other groups on their own initiative even when they had the choice not to In addition to documenting these atrocities Westermann examines cooperation between the Ordnungspolizei and the SS and Gestapo and the close relationship between police and Wehrmacht in the conduct of the anti partisan campaign of annihilation Throughout Westermann stresses the importance of ideological indoctrination and organizational initiatives within specific groups It was the organizational culture of the Uniformed Police he maintains and not German culture in general that led these men to commit genocide Hitler's Police Battalions provides the most complete and comprehensive study to date of this neglected branch of Himmler's SS and Police empire and adds a new dimension to our understanding of the Holocaust and the war on the Eastern front **Hitler Strikes Poland** Alexander B. Rossino, 2003

Usually given short shrift in most histories of World War II Hitler's invasion of Poland was more than a series of opening salvos it was a testing ground for German brutalities to come This is a comprehensive study of the campaign including insights into its ideological underpinnings **Film Propaganda in Britain and Nazi Germany** Jo Fox, 2006-12-01

Propaganda so crucial to winning the battle of hearts and minds in warfare witnessed a transformation during World War II when film was fast becoming the most popular form of entertainment In *Film Propaganda in Britain and Nazi Germany* Jo Fox compares how each country exploited their national cinema for political purposes Through an investigation of shorts and feature films the author looks at how both political propaganda films and escapist cinema were critical in maintaining the morale of civilians and the military and how this changed throughout the war While both countries shared certain similarities in their wartime propaganda films a harking back to a glorious historic past for example the thematic differences reveal important distinctions between cultures This book offers new insight into the shifting pattern of morale during World War II and highlights a key moment in propaganda film history **Battlefield America** John W. Whitehead, 2015-04-14

Police forces across the United States have been transformed into extensions of the military Our towns and cities have become battlefields and we the American people are now the enemy combatants to be spied on tracked frisked and searched For those who resist the consequences can be a one way trip to jail or even death *Battlefield America* The War on the American People is constitutional attorney John W Whitehead's terrifying portrait of a nation at war with itself In exchange for safe schools and lower crime rates we have opened the doors to militarized police zero tolerance policies in schools and SWAT team raids The insidious shift was so subtle that most of us had no idea it was happening This follow up to Whitehead's award winning *A Government of Wolves* is a brutal critique of an America on the verge of destroying the very freedoms that

define it Hands up the police state has arrived *On Germans and Jews Under the Nazi Regime* Mosche Zimmermann,2006

A member of the The Richard Koebner Minerva Center series this unique volume which is sure to engage the attention of both scholars and the general public is an unparalleled cross generational and international dialogue among eminent historians about three central aspects of the unfathomable enigma of the Holocaust In the first section beyond a seminal overview of sixty years of research the writers reflect on historiography and historical thought ranging from contemporaries of the Third Reich to the ongoing discussion about the controversial role post war West German historians played in Holocaust research This is followed by a section focusing on social antisemitism until the 1950s and the German public's awareness of the Holocaust including the posture of the German Resistance Movement The third major theme is the Jewish society from its initial attempts to develop new forms of societal life under the Nazi regime until the brink of annihilation during the mass deportation from the Warsaw Ghetto to Treblinka The concluding chapter sheds light on the unresolved tension between reflective personal memory and impersonal historical research of this dark period in human history The Holocaust and Catholic Conscience Suzanne Brown-Fleming,2006 And the Catholic Church's failure during this period to confront its own complicity in Nazism's anti Jewish ideology **Crime, Histoire & Sociétés** ,2000 *The Order of Genocide* Scott Straus,2004 **The Holocaust** Donald Bloxham,Antony Robin Jeremy Kushner,2004 Despite the massive literature on the Holocaust our understanding of it has traditionally been influenced by rather unsophisticated early perspectives and silences This book summarises and criticises the existing scholarship on the subject and suggests new ways by which we can approach its study It addresses the use of victim testimony and asks important questions What function does recording the past serve for the victim What do historians want from it Are these two perspectives incompatible The perpetrators of the Holocaust and the development of the murder process are closely examined The book also compares the mentalities of the killers and the contexts of the killing with those in other acts of genocide and ethnic cleansing in the first half of the twentieth century searching for an explanation within these comparisons In addition it looks at the bystanders to the Holocaust considering the complexity and ambiguity at the heart of contemporary responses especially within the western liberal democracies Ultimately this text highlights the essential need to place the Holocaust in the broadest possible context emphasising the importance of producing high quality but sensitive scholarship in its study **Then Came Disaster** Marvin R. Zahniser,2002-11-30 French American relations in the interwar period were marked by tension and disagreement The Versailles Peace Conference revealed differences that would prove troublesome disarmament and reparations in particular The onset of the Great Depression would exacerbate these problems and create others The rise of Hitler stimulated the Roosevelt administration to assist where it could but the enormous French defeat so unexpected in Washington brought French American relations to the point of crisis This is the first study to combine elements of the interwar story with the fall of France using the relationship between France and the United States as a lens to view larger

issues of the day Zahniser examines domestic politics on both sides of the Atlantic and analyzes the contributions of such notables as Bullitt Roosevelt Gamelin Reynaud Morgenthau Churchill and Hitler His study challenges the misleading diplomacy of Roosevelt and Bullitt who professed a close relationship with France all the while knowing that the US could do little to help if Hitler attacked Military strategy placing emphasis on mobility armor and air power became the new goals of modern warfare Roosevelt would decide to seek a third term in part because the French defeat signaled that great work remained to be done Dictators would make long range plans that would eventually bring them to ruin *Antisemitism* Susan Sarah Cohen,1987 **Witnesses of War** Nicholas Stargardt,2006 This text breaks new ground in its exploration of the lives and fate of the children of all nationalities under the Nazi regime

Backing Hitler Consent And Coercion In Nazi Germany Introduction

In the digital age, access to information has become easier than ever before. The ability to download Backing Hitler Consent And Coercion In Nazi Germany has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Backing Hitler Consent And Coercion In Nazi Germany has opened up a world of possibilities.

Downloading Backing Hitler Consent And Coercion In Nazi Germany provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Backing Hitler Consent And Coercion In Nazi Germany has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Backing Hitler Consent And Coercion In Nazi Germany. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Backing Hitler Consent And Coercion In Nazi Germany. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Backing Hitler Consent And Coercion In Nazi Germany, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Backing Hitler Consent And Coercion In Nazi Germany has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Backing Hitler Consent And Coercion In Nazi Germany Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Backing Hitler Consent And Coercion In Nazi Germany is one of the best book in our library for free trial. We provide copy of Backing Hitler Consent And Coercion In Nazi Germany in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Backing Hitler Consent And Coercion In Nazi Germany. Where to download Backing Hitler Consent And Coercion In Nazi Germany online for free? Are you looking for Backing Hitler Consent And Coercion In Nazi Germany PDF? This is definitely going to save you time and cash in something you should think about.
