### **Handbook of Research on Present and Future Paradigms in Human Trafficking** Essien, Essien D.,2022-05-20

Human trafficking is currently regarded as a contemporary form of slavery. However, despite many initiatives undertaken over the last two decades to tackle the problem, there seems to be a disproportionate emphasis on the social phenomenon. Trafficking in persons remains a little explored area in scholarship with many inconsistencies and ambiguities yet to be attended to. Human trafficking is a multifaceted issue that requires a multidisciplinary approach that must be studied and considered thoroughly and with heavy regard to the many layers of the issue. The *Handbook of Research on Present and Future Paradigms in Human Trafficking* presents a comprehensible view of what constitutes the underpinning of human trafficking, the means of combating it, its moral implications, and offers possible solutions toward curbing its excesses, inconsistencies, and ambiguities. Covering a range of topics such as social change, human rights, and ethics, this major reference work is ideal for researchers, scholars, practitioners, government officials, policymakers, instructors, academicians, and students.

*Getting Screwed* Alison Bass, 2015-10-06. Vivid narrative driven account of how current U.S. laws against prostitution harm sex workers, clients, and society.

**Egalitarian Digital Privacy** Tsachi Keren-Paz, 2023-03-30. Should digital platforms be responsible for intimate images posted without the subject's consent? Could the viewers of such images be liable simply for viewing them? This book answers these questions in the affirmative while considering the social, legal, and technological features of unauthorized dissemination of intimate images or revenge porn. In doing so, it asks fundamental socio-legal questions about responsibility, causation, and apportionment, as well as conceptualizing private information as property. With a focus on private law theory, the book defines the appropriate scope of liability of platforms and viewers while critiquing both EU and US solutions to the problem. Through its analysis, the book develops a new theory of egalitarian digital privacy.

**The Standard Periodical Directory**, 2003. *DRIVING WHILE BLACK: A MEMOIR OF PROFILING* Kevin J. Phillips, 2021-09-27. My name is Kevin J. Phillips. The virus behind profiling comes in many forms: races, religions, sexual preferences, etc. I was a subject of profiling while driving, and my goal is to educate others on the problematic effects of profiling through this book. *Driving While Black: A Memoir of Profiling*.

**Oxbridge Directory of Newsletters**, 2004
