**Breaking generational curses: claiming your freedom** Gabriel Agbo,2019-04-24 This book is a wonderful compilation of materials dealing with generational curses and we believe that it would be a wonderful asset for your library It would also serve as a powerful guide and source for teaching on this subject Most people believe that when they accepted Christ into their life that all curses against them were dealt with and broken This is a correct statement but let s look at Joshua the successor of Moses He was promised the land but he still had to go in and fight for it This holds true for us today because the word in Matthew 11 12 states that the Kingdom of Heaven suffers violence and the violent take it by force As we will find out from this study there are actions that have been done by some people who have brought a curse against their bloodline This must be dealt with before they can be completely free to fulfil the call of God on their life Rev Agbo demonstrates that he has devoted much study to this subject and wants only to present the truth Most people shun this subject of generational curses and would rather not be exposed to it We were touched and blessed by the powerful prayer at the end of the book and recommend this man of God to any church or organisation to speak on this subject Again this book will compel you to live a holy life totally dedicated to God It deals with all areas of life Translator Gabriel Agbo PUBLISHER TEKTIME

**Sins of the Fathers** Bishop Kevin Foreman,2020-09-08 This book is a must have for every believer The Bible teaches that there are three kinds of sin Sin to miss the mark Transgression to willingly disobey God and Iniquity which is generational sin that s been passed down The Bible says that the iniquity of the fathers would be passed down to the third and fourth generations When you become a Christian your spirit is baptized into a new family but your flesh can still operate under the generational curses of your bloodline In this book Bishop Foreman lays the groundwork to understanding what a

generational curse is and how they can affect believers that are unaware of them 90% of the issues that most people deal with are related to their father or absence thereof The enemy has strategically removed the fathers out of many homes because children receive their identity from their father Why has the enemy devoted so much time trying to hinder your family It s not because you all are so messed up it s because there s so much destiny and purpose in them that he wants to stop If you don t interrupt the generational curses that have been operating in your life you could end up rejecting your destiny We ll identify the familiar spirits or certain patterns of behavior that are common to certain families Bishop deals with discerning and destroying those destructive spirits that have been operating in your family and when you finish this book you will be fully equipped to identify battle and overcome every generational curse in your bloodline It s time to stop blocking the blessing God made up His mind about you He s blessed you and He won t take it back Find out what the blessing is and how to see it manifest in your life now There s a generational blessing stored up in your bloodline and learn how to access it with this riveting groundbreaking and intentionally shocking book Sins of the Fathers

redemption in Christ from the hands of the enemy is complete If you asked these believers whether the Holy Ghost lives on their inside they will answer in the affirmative However they are oblivious to the fact that the devil demons and curses can not co habit with the Holy Ghost The new nature which the believer received at new birth is inherently dominant over all of hell s powers The author by exploring the truth of God s word in this book lays out a case against the belief that generational curses has the power to lord itself over a believer who has been redeemed by the blood of Jesus He encourages believers to stop believing the devil s lies and to rise up boldly in the authority they have been given in Christ whenever they are confronted with anything that looks like symptoms of a curse It is the author s expectation that through this book you will gain an insight into the liberating power of the word of God so that you can come to a convincing realization of what Christ did in you and for you when you got born again and you will live your days in this world in complete freedom and victory over all curses
