Matthew Henson attempted to reach the fabled North Pole Seven times they failed In 1908 following years of frustration they gather a crew of Inuit guides and set sail from Greenland hopeful that the eighth voyage will end in discovery Throughout his life Matthew Henson has grown accustomed to proving himself Born the son of sharecroppers in the immediate aftermath of the Civil War he has endured racism and economic disparity his entire life Since 1891 Henson and Peary who he met while working at a Washington D C department store have been attempting to reach the most remote location on planet earth an icebound region devoid of sustenance and shelter accessible only by boat sled and foot As they near the North Pole Henson prepares to make history With a beautifully designed cover and professionally typeset manuscript this edition of Matthew Henson s *A Negro Explorer at the North Pole* is a classic of African American literature reimagined for modern readers A

Henson,2010-03-23 *A Negro Explorer At The North Pole* *A Negro Explorer At The North Pole* 1912 By Matthew A Henson Introduction by Booker T Washington Forward presented by Robert E Peary In short Matthew Henson next to Commander Peary held and still holds the place of honor in the history of the expedition that finally located the position of the Pole because he was the best man for the place During twenty three years of faithful service he had made himself indispensable From the position of a servant he rose to that of companion and assistant in one of the most dangerous and difficult tasks that was ever undertaken by men In extremity when both the danger and the difficulty were greatest the Commander wanted by his side the man upon whose skill and loyalty he could put the most absolute dependence and when that man turned out to be black instead of white The Commander was not only willing to accept the service but was at the same time generous enough to acknowledge it *A Negro Explorer at the North Pole - French* Matthew Henson,2010-12-12 Matthew Henson

A Negro Explorer at the North Pole Matthew A. Henson,2001 Due to a failed expedition a decade earlier during which Peary lost nine of his toes to frostbite and had to be carried two hundred miles to safety by Henson Peary was nearly a cripple for the final North Pole expedition and could do little more than ride on his sled behind the main party Jacket A *Negro Explorer at the North Pole* Matthew Henson,2023-01-18 *A Negro Explorer at the North Pole* James Burd Brewster,2019-09-09 Henson must go with me I cannot make it without him Rear Admiral Robert Edwin Peary Matthew Henson a Negro spent half his life with Robert Peary trying to conquer the North Pole On April 6th 1909 they succeeded It was their 8th attempt *A Negro Explorer At The North Pole* is Matthew Henson s account of how he and Peary through careful planning and dogged determination overcame bitter cold open water broken equipment mountainous ice ridges and the constant threat of starvation to achieve their goal of being the first men at the North Pole The incredible story of the how Matthew Henson went from 12 year old runaway to steamship cabin boy to Arctic explorer to conqueror of the North Pole and finally greatest Negro explorer of all time contains four important life principles Great achievement occurs by focusing on a clearly defined goal Anything necessary to success can be learned at any time in life People can endure extreme

North Pole Legacy S. Allen Counter,2018-02-13 North Pole Legacy tells the story of two men whose existence was for decades nothing more than a popular legend But that rumor was finally verified in 1986 when author S Allen Counter journeyed to northern Greenland and met this pair of remarkable men Counter had long been an admirer of Matthew A Henson the African

American explorer who accompanied Admiral Robert E Peary to the North Pole twice in early twentieth century While conducting professional research in Sweden Counter became intrigued by talk of mixed race Inuit living in an isolated region of Greenland Unable to forget this rumor Counter traveled to investigate several years later venturing more than a thousand miles north of the Arctic Circle There in two tiny villages Counter met Anaukaq Henson and Kali Peary Amer Inuit sons of the two explorers Born only days apart in 1906 they had long been acknowledged by their communities as the sons of Matthew Henson and Robert Peary but had never been in contact with any of their American relatives As it was obvious that these two men longed to see the country of their fathers Counter arranged for Anaukaq Kali and their families to travel to America to meet their families North Pole Legacy describes the obstacles that Counter overcame to bring news of Anaukaq Henson and Kali Peary to the world to bring them to the United States and to facilitate a reunion with relatives that they had never known

At the same time the narrative flashes back to the unique history of Matthew Henson and Robert Peary in their collaboration as explorers and addresses their somewhat controversial claim to have been the first people to reach the North Pole Compelling insightful and impossible to forget North Pole Legacy is a must read for every history buff and armchair explorer

Matthew Henson Kathleen Olmstead,2008 African American explorer Matthew Henson had been traveling with Robert E Peary and his team in the arctic by dog sled for weeks The temperature was almost sixty degrees below zero After years of trying to reach the North Pole would their quest end because of frigid conditions And who would receive acclaim for being the first person to accomplish such a difficult goal Henson was born not long after the Civil War when life in the United States especially for African Americans was changing quickly As a young man he toured the world while working on a boat where he experienced freedom and kindness from the captain but faced racism from crew members as well as other people on shore After leaving seafaring behind Henson was to meet Lieutenant Robert E Peary a man who would alter the course of his life forever He would accompany Peary on dangerous exciting expeditions to Nicaragua Northern Greenland and finally the perilous North Pole Book jacket *A Journey for the Ages* Matthew A. Henson,2016-08-09 In an era when segregation thrived and Jim Crow reigned supreme adventurer Matthew A Henson defied racial stereotypes During his teenage years Henson sailed on vessels that journeyed across the globe and it is those experiences that caught the attention of famed arctic explorer Matthew Peary Operating as Peary s first man on six expeditions that spanned over a quarter of century Henson was an essential member of all of Peary s most famous expeditions His unparalleled skills as a craftsman and his mastery of the dialects of native Northern peoples Henson was indispensable to the success of these missions Of all voyages which Henson and Peary undertook none is more groundbreaking than their 1909 journey to Greenland and onto the previously impenetrable North Pole Together with a small team of four native Intuits Henson and Peary became the first team to ever reach the geographic North Pole forever cementing their place as two of the greatest Arctic explorers of all time In 1937 the Explorer s Club honored that achievement inducting Henson as their first ever African American member In 1912 Henson chronicled his recollections of this historic journey in a memoir originally entitled *A Negro Explorer at the North Pole* Now reissued as *First to the North Pole* this edition of Henson s memoir features a new foreword by Explorer Club president Ted Janulis emphasizing the importance of Henson s historic achievements Skyhorse Publishing along with our Arcade Good Books Sports Publishing and Yucca imprints is proud to publish a broad range of biographies autobiographies and memoirs Our list includes biographies on well known historical figures like Benjamin Franklin Nelson Mandela and Alexander Graham Bell as well as villains from history such as Heinrich Himmler John Wayne Gacy and O J Simpson We have also published survivor stories of World War II memoirs about overcoming adversity first hand tales of adventure and much more While not every title we publish becomes a New York Times bestseller or a national bestseller we are committed to books on subjects that are sometimes overlooked and to authors whose work might not otherwise find a home
