## **A Patch Of Ground Khe Sanh Remembered:**

*A Patch of Ground* Michael Archer, 2004 A poignant often humorous recollection of the siege of Khe Sanh a pivotal turning point in the American war in Vietnam Under constant bombardment from the enemy Mike Archer and his cadre of fellow nineteen year old Marines Orr Pig Old Woman and Savage just to name a few managed to survive and in the process learn about manhood sacrifice and the darkest recesses of fear and loneliness Includes numerous photos maps and provides a detailed history of the battle for Khe Sanh      **The Long Goodbye** Michael Archer, 2016 In the closing hours of the defense of Khe Sanh Combat Base the longest and bloodiest battle of the Vietnam War Tom Mahoney inexplicably walked away from his platoon unarmed and was shot to death by enemy soldiers hiding nearby His fellow Marines made several desperate attempts to recover their well liked comrade but were finally forced to leave him behind though never forgotten In *The Long Goodbye* author Michael Archer a high school friend who joined the Marines together with Tom chronicles his exhaustive search for answers to his friend s mysterious stroll into oblivion This quest eventually leads to an improbable series of connections from Tom s childhood friends to fellow Marines past the frustration of numerous ineffective often inept attempts by the U S government to locate his remains and eventually teaming up with a Vietnamese psychic intent on communicating with Tom s wandering soul Along the way we discover the unexpected compassion of several former mortal enemies from that battle now wishing to help honor the memory of a lone American among the tens of thousands on both sides who were sacrificed in the great meat grinder of Khe Sanh Swept up in this increasingly bizarre pursuit of clues the author is soon summoned back to that infamous battleground and eventually tracks down the last remaining eyewitness to Tom Mahoney s death one of those who killed him and experiences an astonishing epiphany      *Tale of Two Quagmires* Kenneth J. Campbell, Richard A. Falk, 2015-12-03 Is Iraq becoming another Vietnam Author Kenneth Campbell received a Purple Heart after serving 13 months in Vietnam He then spent years campaigning to get the US out of the war Here Campbell lays out the political similarities of both wars He traces the chief lessons of Vietnam which helped America successfully avoid quagmires for thirty years and explains how neoconservatives within the Bush administration cynically used the tragedy of 9 11 to override the Vietnam syndrome and drag America into a new quagmire in Iraq In view of where the U S finds itself today unable to stay but unable to leave Campbell recommends that America re dedicate itself to the essential lessons of Vietnam the danger of imperial arrogance the limits of military force the importance of international and constitutional law and the power of morality      The Tet Offensive James H. Willbanks, 2008-12-09 In the Tet Offensive of 1968 Viet Cong and North Vietnamese forces launched a massive countrywide attack on South Vietnam Though the Communists failed to achieve their tactical and operational objectives James Willbanks claims Hanoi won a strategic victory The offensive proved that America s progress was grossly overstated and caused many Americans and key presidential advisors to question the wisdom of prolonging combat Willbanks also maintains that the Communists laid siege to a Marine combat base two weeks prior to

the Tet Offensive known as the Battle of Khe Sanh to distract the United States It is his belief that these two events are intimately linked and in his concise and compelling history he presents an engaging portrait of the conflicts and singles out key problems of interpretation Willbanks divides his study into six sections beginning with a historical overview of the events leading up to the offensive the attack itself and the consequent battles of Saigon Hue and Khe Sahn He continues with a critical assessment of the main themes and issues surrounding the offensive and concludes with excerpts from American and Vietnamese documents maps and chronologies an annotated list of resources and a short encyclopedia of key people places and events An experienced military historian and scholar of the Vietnam War Willbanks has written a unique critical reference and guide that enlarges the debate surrounding this important turning point in America s longest war **Binding**

**Their Wounds** Robert J. Topmiller,T. Kirby Neill,2015-12-03 The victims of US military campaigns are usually nameless civilians in far away places but there are also victims closer to home the soldiers so often used and then discarded by the establishment Binding Their Wounds is a book about US veterans written by a US veteran Bob Doc Topmiller Topmiller fought in Vietnam founded a school for orphans there and become a professor of history before he tragically committed suicide Close friend and scholar Kerby Neill stepped in to complete the book The result is a history of US veterans and their treatment by the US establishment from the early republic to the recent wars in Iraq and Afghanistan Binding Their Wounds offers policy recommendations to improve post conflict treatment and care for veterans which are long overdue

**Whatever Cause We Have** Dan Moore,2024-01-04 Dan Moore joined the Marines to serve in Vietnam and contribute to the anticipated American victory over communism After completing officer training and artillery school he deployed as a forward observer with an infantry company His letters home described day to day events and revealed a growing skepticism about the war During the Battle of Hue City Moore lost his assistant forward observer soon followed by another close friend Fighting to maintain equilibrium he suppressed his critical views of the war even after returning home to oversee Marine recruit training His memoir unpacks his letters his recollections of the war and 50 years of introspection **The Register of the Kentucky Historical Society** Kentucky Historical Society,2007 *Nevada* ,2007 Red Clay on My Boots Robert J. Topmiller,2007 Broken hearts ruined minds wrecked families and shattered lives are all realities of the Vietnam War Real people suffered because of the fighting death and tragedies that occurred at the battle of Khe Sanh This is a story of a Vietnam corpsman immersed in the bloodiest most confusing and controversial battle of the Vietnam War As the war ends the author tries to re build his life but finds his mind and heart are still on the battlefield in Vietnam How did this happen Why did I survive When will the nightmares end Was it all for nothing He has been fighting his own internal war for the last forty years This is his story Robert Topmiller entered the U S Navy in 1966 at age seventeen and trained to be a Hospital Corpsman He served in South Vietnam in 1968 with the 26th Marines during the battle of Khe Sanh Topmiller received his B A and M A from Central Washington University and his Ph D from the University of Kentucky Currently he serves as an
