

A photograph of two male students in a workshop setting. They are both wearing light blue polo shirts and grey baseball caps. The student on the right is wearing safety glasses and is using a power drill to work on a small, black, two-wheeled robotic car. The student on the left is also wearing safety glasses and is holding a white sheet of paper, possibly a blueprint or instructions. The background is a cluttered workshop with various tools, equipment, and papers on the walls. The overall scene suggests a hands-on engineering or robotics project.
