Results at the Top Barbara Annis,Richard Nesbitt,2017-05-08 What if your company could gain a greater profit share of the market simply by promoting more women into its senior management team Sounds like a no brainer and despite nearly every study done in the past three decades proving companies with women leaders deliver superior performance the number of women in the C suites of companies all over the world is noticeably low Results at the Top is written for the men who know the value female leaders bring to the table and need a tangible way to get them there Whether you re building your leadership team from scratch or trying to transform long established norms for a competitive advantage today the practical guidance inside wastes no space with blame for the current state of women leaders and goes straight to the immediate steps organizations can take to change it It gives you everything you need to both create the internal systems for promoting gender diversity on every step of the career ladder and motivating employees to celebrate its shared bottom line benefits Up to date viewpoints don t confuse equal with same and go in depth into the scientific differences between men and women that can complement each other to produce higher performing teams Along with neurological variances there are societal behaviors men and women need to recognize and substitute with more productive and advantageous ones Through eye opening research and illustrative examples from the real world both sexes gain a deeper understanding of how we got here and the pioneering systems companies in the highest echelons of their industries are using to evolve leadership development all the way to the top This everyday guidebook will immediately change the way you approach work with A powerful new evaluation method for assessing the source of gender diversity in a company s leadership Concrete strategies men can use to champion greater gender diversity along with ways men and women can improve collaboration in order to run better organizations Focused coverage on addressing gender diversity with Millennials and don t be surprised when you find they re not so different The most satisfying part of Results at the Top is watching your company s performance soar as gender bias

disappears The Entrepreneurial State Mariana Mazzucato, 2024-02-06 Award winning economist Mariana Mazzucato's famously incisive international bestseller debunking the pervasive myth of the inept state versus an innovative private sector with a new preface by the author According to conventional wisdom innovation is best left to the bold entrepreneurs of the private sector and government should get out of the way But what if that wasn't the case What if from the inventions of Silicon Valley to medical breakthroughs the public sector has actually been the most courageous and valuable risk taker of all Critically acclaimed and influential thinker and scholar Mariana Mazzucato argues comprehensively against the myth of a lumbering bureaucratic state versus a dynamic innovative private sector with remarkable original and deep research In a series of case studies from nanotechnology to the emerging green tech of today Mazzucato reveals that the opposite is true the private sector only finds the courage to invest after an entrepreneurial state has made the high risk investments The Entrepreneurial State reveals how every technology that makes the iPhone so smart was actually funded by the government from the Internet and GPS technology to touch screen displays and voice activated Siri In the history of modern capitalism the State has not only fixed market failures but has also actively shaped and created markets In doing so it sometimes wins and sometimes fails Yet by not admitting the State's role in active risk taking we've created an innovation system where the public sector socializes risks while privatizing reward as Mazzucato controversially argues This bold and provocative book considers how we adopted this dysfunctional dynamic and then how we can overcome it so that economic growth can be not only smart but inclusive as well The Outlook, 2011 Value Line Convertibles, 1985 *The Report: Qatar 2015* Oxford Business Group, 2015-04-22 Qatar's sizable oil and natural gas reserves have underpinned its rapid economic growth over the past two decades Home to the world's largest non associated gas field the country is the world's fourth largest producer of dry natural gas and the largest producer of liquefied natural gas with hydrocarbons revenues forming the bulk of national income as a result Although the drop in global energy prices has impacted export revenues rigorous economic diversification drives in recent years have paid dividends and in 2015 non hydrocarbons growth reached 7.7% compared to a 0.1% contraction for hydrocarbons growth during the same period The country's financial sector has continued to evolve Islamic banking in particular has witnessed significant progress Meanwhile as the country gears up to host several important sporting events in the coming years most notably the 2022 FIFA World Cup numerous big ticket infrastructure builds continue to expand the construction sector *Value Line Options & Convertibles*, 1980 Includes supplement called Statistical evaluation section **CDS Solved Paper Chapterwise & Sectionwise** Arihant Experts, 2021-12-15 1 CDS Chapterwise Sectionwise Solved Papers provide complete study material for the entrance 2 The guide Covers the entire syllabus into 4 major sections 3 Chapter wise solved papers for practice 4 Housed with customized study material for effective and robust preparation 5 The book gives real knowledge of exam pattern level of toughness and trends of questions Union Public Service Commission UPSC has released the notification of more than 400 seats for the Combined
