James Jackson,2017-05-18 Binary options trading Binary options trading offers the opportunity to take a yes no view on
popular financial markets with limited risk You choose your position based on whether you believe an event will occur within
a set timeframe You can also trade once the timeframe has started as long as it s during trading hours and before the pre
close period For example you could start trading on a one hour binary with 20 minutes left until expiry The pre closed period
for binary options falls between 30 seconds and two minutes prior to the expiry depending on the timeframe and instrument
When trading binary options you buy the binary if in your view the event will occur at the end of the timeframe Conversely
you would sell the binary if you don t think the event will occur Online binary trading You can trade binary options with us
