fascinating important book More than just a family story it is an essay on belonging denying pretending self deception and at

Simon May s gripping account of how three sisters his mother and his two aunts grappled with what they felt to be a lethal
heritage Their very different trajectories included conversion to Catholicism marriage into the German aristocracy securing
Aryan status with high ranking help from inside Hitler s regime and engagement to a card carrying Nazi Even after his
mother fled to London from Nazi Germany and Hitler had been defeated her instinct for self concealment didn t abate
Following the early death of his father also a German Jewish refugee May was raised a Catholic and forbidden to identify as
Jewish or German or British In the face of these banned inheritances May embarks on a quest to uncover the lives of the
three sisters as well as the secrets of a grandfather he never knew His haunting story forcefully illuminates questions of
belonging and home questions that continue to press in on us today *Musical times and singing-class circular* ,1886
