Old St Louis Post Dispatch Tv Guide:

TV Guide ,2002 *Broadway in the Box* Kelly Kessler,2020-04-01 It was as if American television audiences discovered the musical in the early 21st century In 2009 Glee took the Fox Network and American television by storm with the unexpected unification of primetime programming awkward teens and powerful voices spontaneously bursting into song After raking in the highest rating for a new show in the 2009 2010 season Glee would continue to cultivate rabid fans tie in soundtracks and merchandising and a spinoff reality competition show until its conclusion in 2015 Alongside Glee NBC and Fox would crank up musical visibility with the nighttime drama Smash and a string of live musical productions Then came ABC s comedic fantasy musical series Galavant and the CW s surprise Golden Globe darling Crazy Ex Girlfriend Television and the musical appeared to be a perfect match But as author Kelly Kessler illustrates television had at that point been carrying on a sixty year symbiotic love affair with the musical From Rodgers and Hammerstein s appearance on the first Toast of the Town telecast and Mary Martin s iconic Peter Pan airings to Barbra Streisand s 1960s CBS specials The Carol Burnett Show Cop Rock Great Performances and a string of one off musical episodes of sitcoms nighttime soaps fantasy shows and soap operas television has always embraced the musical Kessler shows how the form is written across the history of American television and how its various incarnations tell the stories of shifting American culture and changing television film and theatrical landscapes She recounts and explores this rich decades long history by traversing musicals stars and sounds from film Broadway and Las Vegas to the small screen

The Evolution of the Western Martin Kich,2024-09-05 Explore the enduring influence of the Western the quintessential American film genre and its essential role in US and world culture Follow the entire history of the Western from its roots in the pulp novels of the early 20th century through the serials of the silent era and the mid century classics of John Ford and John Wayne to the recent award winning revisionist works like Unforgiven and No Country for Old Men that provide a more complex and nuanced take on history of the West Perhaps more than any other pop culture genre the Western allows us to view how Americans have seen themselves over the last 150 years Build a foundational understanding of the genre with 5 introductory essays exploring the development of the Western Mythos in the traditional Western the heyday of the traditional Western in the post WWII period revisionist Westerns and the counterculture race and identify and the Western outside of the USA Close to 100 encyclopedia entries examine one or more movies or television programs and show how their creation and plots demonstrate the overall evolution of the genre Easily compare films and TV programs from early genre favorites such as Gunsmoke to more recent releases like Django Unchained with essential facts boxes accompanying each entry with information on the director studio key actors and box office receipts

Outrageous Kliph Nesteroff,2023-11-28 From the preeminent historian of comedy an expansive history of show business and the battles over culture that have echoed through the decades and changed the United States Outrageous is required reading An essential book of the social history of the United States with laughs Steve Martin There is a common belief that

we live in unprecedented times that nobody got offended in the past that people are simply too sensitive today that racism and sexism were once widely accepted without objection The truth is precisely the opposite With every step of our cultural history minorities have pushed back against racist portrayals women have fought for respect and people have sought to change the world of entertainment and beyond through a combination of censorship advocacy or protest Likewise opposing forces have sought to sway public opinion and shape culture through violence and political and economic pressure Kliph Nesteroff author of *The Comedians* and *We Had a Little Real Estate Problem* presents a deep dive into the history of show business and illustrates both how our world has changed and how the fierce battlegrounds of today are reflected in our past *Outrageous* is a crucial and timeless book filled with surprising details remarkable anecdotes and unforgettable characters including figures we think we know such as Mae West Roscoe Fatty Arbuckle and Stan Laurel who tried to bury his wife alive but still wasn't cancelled and others readers may never have heard of

Covering Clinton Joseph R. Hayden,2001-11-30

The end of the 1990s saw increasing criticism of the media's treatment of the scandals in Washington Critics complained that journalists either had not covered the political crisis well that they had bungled it or that they had simply blown it out of proportion Some went so far as to call the situation Pressgate As Hayden points out however the larger question remained What was Clinton's overall relationship with the media Hayden examines presidential press relationships in the 1990s focusing first on the 1992 campaign then on issues and events over Clinton's two terms He analyzes the press response to the programs of the Clinton era as well as the scandals the roles of consultants like James Carville the effectiveness of various press secretaries and the use of pollsters like Dick Morris He also examines the fate of the First Amendment in the 1990s and how Clinton responded to freedom of expression concerns This analysis will be of interest to media specialists as well as the general public concerned with contemporary Washington politics and journalism

Broadcasting, Telecasting,1954-04 *Lugosi* Gary Don Rhodes,2015-09-03 He was born Bela Ferenc Dezso Blasko on October 20 1882 in Hungary He joined Budapest's National Theater in 1913 and later appeared in several Hungarian films under the pseudonym Arisztid Olt After World War I he helped the Communist regime nationalize Hungary's film industry but barely escaped arrest when the government was deposed fleeing to the United States in 1920 As he became a star in American horror films in the 1930s and 1940s publicists and fan magazines crafted outlandish stories to create a new history for Lugosi The cinema's Dracula was transformed into one of Hollywood's most mysterious actors This exhaustive account of Lugosi's work in film radio theater vaudeville and television provides an extensive biographical look at the actor The enormous merchandising industry built around him is also examined
