The British National Bibliography Arthur James

Wells,2000 **Teaching Every Child to Read** Rita Dunn,Brett Elizabeth Blake,2008-02-08 This book provides not only educators but parents and caretakers with a variety of engaging instructional strategies for K-8 students. These approaches enable all students to read easily and enjoyably by utilizing different styles and approaches. None typically are used in conventional classrooms but children who either have not mastered or who do not enjoy reading become involved in and energized with active participation. When these activities are introduced many children will begin recognizing words stringing them together increase vocabulary and reading within the first four months of beginning, if not earlier.
