2nd Sunday Of Advent Year B:

A Time for Him Paschal G. Aggrey, 2014-09-30 A TIME FOR HIM brings to the reader the soft voice of God amidst the noise that engulfs our society It is a weekly Sundays and other feast day reflections that seeks to lead the reader to a deeper awareness of himself and his relationship with God neighbour and environment It is a thought provoking and spirit filled piece that captures the normal life events that we encounter and our Christian way of handling them for the benefit of our souls and the salvation of all It is catechetical practical devotional and biblical

Footprints on the Mountain Roland James Faley, 2000 *Preaching the Gospels Without Blaming the Jews* Ronald James Allen, Clark M. Williamson, 2004-01-01 In this commentary on the Gospel readings in the Revised Common Lectionary Allen and Williamson call attention to ways in which the lections are continuous with the theology values and practices of Judaism and reflect critically on the caricatures in the readings They explain the polemics in their first century setting but criticize them historically and theologically They also suggest ways that preachers can help their congregations move beyond these contentious themes to a greater sense of kinship and shared mission with Judaism

BOOK JACKET Preaching the Old Testament Ronald James Allen, Clark M. Williamson, 2007-01-01 In this third and concluding volume of their lectionary commentary collection *Preaching the Gospels without Blaming the Jews* and *Preaching the Letters without Dismissing the Law* Ronald Allen and Clark Williamson encourage the church and its preachers to rediscover the Old Testament as a vibrant wellspring of Christian faith and life Preachers often neglect the Old Testament misrepresent it or regard its theological content as superseded by Jesus and the New Testament Allen and Williamson claim The authors help preachers avoid these traps by explaining how a text was understood before the Common Era without any reference to Jesus or Christian doctrine mentioning representative New Testament passages or themes that are informed by the older material and commenting briefly on the relationship between the lections in those cases when readings from the Old Testament are paired with readings from the New Testament

The Collected Sermons of Walter Brueggemann - Three-Volume Set Walter Brueggemann, 2020-01-28 These sermons are themselves versions of that dangerous but longed for doxology and they move from ruthlessly honest cultural analysis to confident praise with such linguistic power that one can easily overlook the superb detail the impressive craft and the fine tooling employed by Brueggemann the master preacher The impact of these sermons comes not simply from the finished artwork but also from the artist s technique the preparation of the homiletic canvas the mix of pigment and the brush strokes from the foreword by Thomas G Long Volume One In addition to being one of the world s leading interpreters of the Old Testament Walter Brueggemann is a skilled and beloved preacher This collection of sermons demonstrates Brueggemann s fidelity to biblical texts which come alive with meaning in our contemporary world Throughout Brueggemann also reflects on his preaching Volume One features a biblical index as well as a foreword by Samuel Wells of Duke University who writes Enjoy this volume from a master exegete a master theologian and a master preacher They really are neat sermons And they re for you Volume
