Yet with her business failing and her newly engaged best friend vanishing into a love bubble and even her teenage niece announcing she's getting married, Max becomes the one person she can rely on and the idea of a little fling with him becomes even more tempting. Max knows his little sister's best friend is off limits until Parvati confesses she once had a crush on him and he can't help seeing her in a new and very intriguing light. He's never been good at letting people past his charming facade, but something about Parvati makes him want to let down his defenses. A year later they meet again and once more Zach needs her help. To fend off the unwanted attentions of his former fianc, he asks Dani to pretend to be his girlfriend. They play their roles a little too well and make believe turns into reality. But their relationship comes crashing down around them when Zach's trust issues cause him to accuse Dani of cheating.
