### *Out of the Doghouse*

Robert Weiss,2017-01-03 DATING RELATIONSHIPS LIVING TOGETHER MARRIAGE Typically men are good at creating rifts in relationships but terrible at mending them especially after they ve repeatedly betrayed their partner through sexual infidelity For the most part cheating men are both intimacy challenged and empathy challenged and as such they lack the skills needed to overcome the damage wrought by their infidelity Robert Weiss has spent over twenty years in the treatment of sex and intimacy issues helping both cheating men and their betrayed spouses In Out of the Doghouse he shares his expertise illuminating the ways in which men can move beyond their usual feeble efforts to smooth things over Sure saying I m sorry and trying to buy forgiveness with flowers and jewelry may temporarily calm the stormy seas but these actions do nothing to re establish trust which is what a distraught woman needs if she hopes to feel better about her relationship over the long term

healthcare by improving the ways we treat loved ones of addicts and other troubled people by offering them more dignity for their suffering rather than blame for the problem This revised edition builds on the model revealing many more ways to put the method into practice and strategies for setting healthy boundaries Do you love an addict Do you sometimes feel like their addiction is your fault Are people calling you codependent If our treatment toward loved ones of addicts alienates them it s time we change our approach With Prodependence Dr Robert Weiss offers us the first fully new paradigm in nearly 40 years for helping those who love and care for addicts An attachment focused model prodependence recognizes that no one can ever love too much nor should anyone be pathologized for whomever they choose to love as is often the case Prodependence informs caregivers how to love more effectively but without having to bear a negative label for the valuable support they give When treating loved ones of addicts and other troubled people using prodependence we need not find something wrong with them Instead we acknowledge the trauma and inherent dysfunction that occurs when living in relationship with someone whose life is failing and keep moving forward Validating a caregiver s painful journey for what it is opens the door to support them in useful non shaming ways Helping people take incremental positive steps toward intimate healing is what

Sex Addiction 101 Csat-S Robert Weiss Lcsw, 2013-06-19. Sex addicts are individuals who've lost control over their sexual fantasies and behavior. They are unable to stop their sexual acting out even when they want to and they experience significant directly related negative life consequences: relationship issues, problems at work or in school, declining physical and emotional health, financial strain, and sometimes even legal trouble. Sex addiction is very much on the rise thanks to digital technology. The simple fact is virtually everyone owns a computer, laptop, pad, tablet, smartphone, or some other Internet enabled device. These technologies connect us in ways that seemed unthinkable as little as ten years ago. On the plus side this digital interconnectivity provides endless opportunities that support our very human needs for community and social interaction. Friends and family who may have been too distant for regular contact just a few years ago can now be intimately folded into our lives. Unfortunately our ever increasing online connectivity also provides access to an unending collection of highly arousing sexual content and willing sexual partners. And while pornography, masturbation, and anonymous casual sex are a source of pleasurable amusement for the vast majority of people who choose to engage in those activities, individuals predisposed to addictive and impulsive behavior patterns can quickly and easily find themselves lost in an escalating obsessive quest for sexual and/or romantic intensity. So as the number of affordable, easy links to pleasurable sexual content and activity has increased so too has the number of people struggling with sex, porn, and love addiction. It's just that simple. Sadly, very few people possess a comprehensive understanding of this incredibly complicated disease. Robert Weiss's Sex Addiction 101: A Basic Guide to Healing from Sex Porn and Love Addiction addresses this issue. The book covers everything from what sexual addiction is and how it can best be treated to how it affects various subgroups of the population such as women, gays, and teenagers to how sex addicts can protect themselves from the online sexual onslaught. And Rob presents this material in straightforward language that any reader can understand. As such, Sex Addiction 101 is intended to enlighten the clinical population, actual sex addicts, their loved ones, and even the general public. Rob is uniquely qualified to write this book. In 1995 he founded the Sexual Recovery Institute in Los Angeles, one of the first facilities anywhere offering treatment for sexual addiction and related issues. These days he is Director of Intimacy and Sexual Disorders Services at the Sexual Recovery Institute, The Ranch in Nunnelly, Tennessee, and Promises Treatment Centers in Malibu, California. Additionally he provides sexual addiction treatment training internationally for psychology professionals, addiction treatment centers, the National Institutes of Health, and the US military. He has been featured on CNN, The Today Show, Larry King, Oprah, ESPN, and elsewhere. In other words, along with his mentor, Patrick Carnes, Rob has become the face of and driving force behind
