- Academic Honor Roll

## Additional Skills

- Spanish and English
- Customer service
- Public speaking

# **Ambitious Minds Young Adult Resume Interview Guide**

**Judd E. Hollander**

## **Ambitious Minds Young Adult Resume Interview Guide:**

**Ambitious Minds** Mark W. Boyer, 2013-03-20 *Ambitious Minds* is an instructive yet easy to follow guidebook specifically designed for young adults venturing into the job market for the first time. Provides tips and ideas on not only how to identify the best type of job suited for you but takes you step by step on how to properly apply and prepare for an interview ensuring you the best odds for being hired by an employer.

*The Young Entrepreneur's Edge* Jennifer Kushell, 1999 It seems like these days whenever you look at a newsstand at least one major business magazine has a cover story about a wildly successful entrepreneur in his or her 20s or 30s. That's not surprising when one considers that one out of every five small business owners in America is under 35 and that more young people are starting businesses than ever before. Right now in college dorm rooms and their parents' garages the next generation of Sam Waltons, Bill Gateses and Michael Dells are hard at work. If you are ever going to take risks in exploring your career options this is the absolute best time to do it, says 26 year old entrepreneurial expert Jennifer Kushell. Why wait until you have a semi stable corporate job and major financial obligations to discover that you hate your career and need to make a big change? Kushell is the ideal mentor for young people thinking about taking the plunge. Her very successful Young Entrepreneurs Network educates teens and twentysomethings in 40 countries about forming their own companies. A born entrepreneur her father and aunt are leading experts on franchising and trademark licensing respectively. Kushell presided over her own company's growth while attending college full time. Her book draws on her invaluable hands on experience. It's not so much a how to start a business book as it is a how to cope with life while starting and succeeding in your own business book, the author says. All I can say is that this is the real deal, the real story. With wit, candor and exuberance for her subject, Kushell gives practical and personal insight from a young entrepreneur's point of view to help new business owners get through their first few years. The book also teaches you tricks of the trade that you can rely on to compete successfully in a business world with people twice your age and companies God knows how many times as big she adds. *The Young Entrepreneur's Edge* addresses key topics such as trying to obtain capital and writing a business plan which the author says are among the biggest obstacles for young entrepreneurs. But the book also tackles critical areas that other business books rarely address: how to get older people to take you seriously, how not to starve when you're broke, how to win your family's approval, how to get out and meet important people, how not to get carded when entertaining clients and other unique situations faced by young business people. Praise for *The Young Entrepreneur's Edge*: Fresh college graduates frustrated by the job search should pick up a copy of this book, *Los Angeles Times*. Can help both job seekers and job holders rethink their idea of gainful employment, *Mademoiselle*. Entertaining, fast reading and immensely sensible, Kushell is a human dynamo, *Sacramento Bee*. Every young entrepreneur needs good ideas and this book is full of them, Fred Deluca, founder and president of Subway Restaurants. It is a must read for my students, Kathleen R. Allen, Ph.D., The Entrepreneur Program, University of Southern California.

The Top Books of the Year Ambitious Minds Young Adult Resume Interview Guide The year 2023 has witnessed a noteworthy surge in literary brilliance, with numerous captivating novels captivating the hearts of readers worldwide. Lets delve into the realm of bestselling books, exploring the captivating narratives that have charmed audiences this year. The Must-Read : Colleen Hoover's "It Ends with Us" This heartfelt tale of love, loss, and resilience has captivated readers with its raw and emotional exploration of domestic abuse. Hoover skillfully weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can triumph. Uncover the Best : Taylor Jenkins Reids "The Seven Husbands of Evelyn Hugo" This intriguing historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reids compelling storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Ambitious Minds Young Adult Resume Interview Guide : Delia Owens "Where the Crawdads Sing" This evocative coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens spins a tale of resilience, survival, and the transformative power of nature, captivating readers with its evocative prose and mesmerizing setting. These bestselling novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of compelling stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a brilliant and gripping novel that will keep you speculating until the very end. The novel is a cautionary tale about the dangers of obsession and the power of evil.
