Innovative Learning Environments in STEM Higher Education Jungwoo Ryoo, Kurt Winkelmann, 2021-03-11 As explored in this open access book, higher education in STEM fields is influenced by many factors including education, research, government and school policies, financial considerations, technology limitations and acceptance of innovations by faculty and students. In 2018, Drs. Ryoo and Winkelmann explored the opportunities, challenges and future research initiatives of innovative learning environments (ILEs) in higher education STEM disciplines in their pioneering project eXploring the Future of Innovative Learning Environments X FILEs. Workshop participants evaluated four main ILE categories: personalized and adaptive learning, multimodal learning formats, cross extended reality (XR) and artificial intelligence (AI) and machine learning (ML). This open access book gathers the perspectives expressed during the X FILEs workshop and its follow up activities. It is designed to help inform education policy makers, researchers, developers and practitioners about the adoption and implementation of ILEs in higher education.
