

The image features three bronze sculptures of human figures, created by Boaz Vaadia. The sculptures are constructed from numerous thin, dark, rectangular plates stacked horizontally to form the bodies and heads. They are positioned on a dark, textured surface that resembles a rocky shore, with a body of water and a light sky in the background. The figures are arranged in a row, with the largest on the left, a medium-sized one in the center, and a smaller one on the right. The lighting is soft, highlighting the texture of the stacked plates.
