centered on business ethics and a principled approach to negotiation that maximizes the value of the outcomes for both parties. It can even create additional value that neither party could find in isolation. In this book you will learn The ten golden rules for successful negotiations. How to handle conflicts with your negotiating partners. What hostage and kidnapping negotiations can teach managers negotiating in business settings. How to ensure both sides perceive any agreement as a win. Achieve higher profit deals in difficult circumstances. In the business world negotiating with other companies, government officials and even your colleagues is a fact of life. *Advanced Negotiation Techniques* takes you through a system for planning and conducting negotiations that will enable you and your team to achieve your negotiation objectives. This is an internationally tried and tested process with many current Blue Chip organizations applying it daily for a simple reason: the techniques are easy to implement and they work. That makes this book essential reading for those who want to achieve their goals in any area of life.
