has seen many changes But in many ways reference desk work hasn't changed a bit with its mix of odd humorous routine and ridiculous requests that capture what it's like to deal with patrons day after day Reference Librarianship paints a clear picture of the field for library school students provides emotional and philosophical support to practitioners and reminds library administrators of what life was like on the front lines A sampling of the daily transactions documented in Reference Librarianship Monday May 19 2003 pencil pencil network down I tell people that I can't sign them up for an Internet terminal because the network is down and they just stand there staring into space One of them asks for three days worth of newspapers microfiche machine explanation Sorry Sir the network is still down multiply by twenty and insert randomly into the remainder of the day magic tricks but he pretty much knew where they were One of our large interior plate glass windows shattered No one was hurt and it made a fascinating noise like a crystal waterfall landing on soil Books on prostitution you know whores Someone from the County called to ask if any criminal activity had occurred on a particular street Someone else referred her to us She was dubious with good reason Math puzzles Okay I show him the books Just math Certainly I show him the books I need them in Spanish Grrr Reference Librarianship is an enlightening educational and entertaining look at the real world of reference desk work It's an essential read for reference librarians both public and academic library administrators and library school students as well as anyone who works with the public
