My Enemy's Daughter: a Novel Justin MACCARTHY (M.P.),1869 *My Enemy's Daughter* Justin McCarthy,1869

Through My Enemy's Eyes Salim J Munayer,Lisa Loden,2014-02-01 This book addresses the universal theological dimension of reconciliation in the context of the Israeli Messianic Jewish and Palestinian Christian divide Palestinian Christians and Israeli Messianic Jews share a belief in Jesus as the son of God and Messiah Often though that is all they have in common This remarkable book written in collaboration by a local Palestinian Christian and an Israeli Messianic Jew seeks to bridge this gap by addressing head on divisive theological issues as well as their political implications such as land covenant prophecy and eschatology which separate their two communities The struggle for reconciliation is painful and often extremely difficult for all of us This unique work seeks to show a way forward **COMMENDATIONS** In a world that wants to see only one side of every conflict and this one especially where people believe only their own propaganda and where many Christians inhabit hard shells of theological political and apocalyptic certainties this book is a bravely different voice Rather it is two voices talking carefully honestly graciously respectfully and truthfully to each other as sisters and brothers in the Messiah should This is a unique conversation in which each partner Messianic Jewish Israeli and Palestinian Christian gives full expression to all that they are and think and feel about themselves and the conflict in their land We are treated to some stretching theological debate and some honest self criticism But above all we come to share the hope and courage that shines through the pain and struggle Christopher J H Wright International Ministries Director Langham Partnership UK The Palestinian Israeli divide may be the most intractable conflict of our time With great courage honestly facing the turbulent political historical and theological landscape which authentic reconciliation must engage Munayer and Loden open up fresh space Given the divides between their communities this book is a remarkable achievement a cry of hope from the land where Jesus walked Chris Rice Director of the Center for Reconciliation Duke Divinity School USA
