## **Meth Sorcery Know The Truth:**

*Meth=Sorcery* Steve Box, 2000-06-01 Steve Box speaks with an authority that only comes from a Holy Spirit experience. Steve's burning desire to educate the users of methamphetamines to its dangers both physical and spiritual comes from the nightmare experiences of many years of sustained drug use. Cover by Phillip McClendon. **The Alchemy of Meth** Jason Pine, 2019-11-05 Meth cooks practice late industrial alchemy transforming base materials like lithium batteries and camping fuel into gold. Meth alchemists all over the United States tap the occulted potencies of industrial chemical and big pharma products to try to cure the ills of precarious living, underemployment, insecurity, and the feeling of idleness. Meth fires up your attention and makes repetitive tasks pleasurable, whether it's factory work or tinkering at home. Users are awake for days and feel exuberant and invincible. In one person's words, they get more life. *The Alchemy of Meth* is a nonfiction storybook about St. Jude County, Missouri, a place in decomposition where the toxic inheritance of deindustrialization meets the violent hope of this drug-making cottage industry. Jason Pine bases the book on fieldwork among meth cooks, recovery professionals, pastors, public defenders, narcotics agents, and pharmaceutical executives. Here, St. Jude is not reduced to its meth problem, but Pine looks at meth through materials, landscapes, and institutions, the sprawling context that makes meth labs possible. *The Alchemy of Meth* connects DIY meth labs to big pharma's superlabs, illicit speed to the legalized speed sold as ADHD medication, uniquely implicating the author's own story in the narrative. By the end of the book, the backdrop of St. Jude becomes the foreground. It could be a story about life and work anywhere in the United States where it seems no one is truly clean and all are complicit in the exploitation of their precious resources in exchange for a livable present or even the hope of a future.

*No Speed Limit* Frank Owen, 2013-09-24 Hells Angels and fallen televangelist Ted Haggard, cross-country truckers, and suburban mothers, trailer parks, gay sex clubs, college campuses, and military battlefields. In this fascinating book, Frank Owen traces the spread of methamphetamine, meth, from its origins as a cold and asthma remedy to the stimulant wiring every corner of American culture. Meth is the latest epidemic to attract the attention of law enforcement and the media, but like cocaine and heroin, its roots are medicinal. It was first synthesized in the late nineteenth century and applied in treatment of a wide range of ailments by the 1940s. Meth had become a wonder drug used to treat depression, hyperactivity, obesity, epilepsy, and addictions to other drugs and alcohol. Allied Nazi and Japanese soldiers used it throughout World War II, and the returning waves of veterans drove demand for meth into the burgeoning postwar suburbs where it became the mother's helper for a bored and lonely generation. But meth truly exploded in the 1960s and 70s when biker gang cooks, using burners, beakers, and plastic tubes, brought their expertise from California to the Ozarks, the Southwest, and other remote rural areas where the drug could be manufactured in kitchen labs. Since then, meth has been the target of billions of dollars in federal, state, and local anti-drug wars. Murders, violent assaults, thefts, fires, premature births, and AIDS rises in all of these have been blamed on the drug that crosses classes and subcultures like no other. Acclaimed journalist Frank Owen follows the users

cooks dealers and law enforcers to uncover a dramatic story being played out in cities small towns and farm communities across America No Speed Limit is a panoramic high octane investigation by a journalist who knows firsthand the powerful highs and frightening lows of meth      *Marijuana* Richard Dopp,2019-09-06 These questions and many more are all accurately answered in this book Is marijuana use a gateway to the use of harder drugs Will a person s ultimate destiny be heaven or hell if that same person continues to use and or partake in the marijuana business Is using and or partaking in the marijuana business considered pharmakeia drug sorcery Is marijuana the fruit of the tree of knowledge of good and evil or is it the tree of life From where when and how did marijuana come to exist Can a person use and or partake in the marijuana business and still be a true believer in GOD YAH Is the marijuana business a legitimate business Was marijuana in the Garden of Eden What role does marijuana play in end time Bible prophecy Does GOD YAH approve or condone the use and or being involved in the marijuana business Is it possible to become established in GOD s righteousness while being involved in the marijuana business Will marijuana ever be legalized for recreational use in the USA and throughout the world What is a conscience and how did it come to exist in human beings Did Jesus Yahshua actually drink fermented alcoholic wine during his ministry Has modern day marijuana been genetically modified Why is the new school marijuana more potent than the old school marijuana Why aren t modern day true believers experiencing maximum quality blessings mentioned in Deuteronomy 28 1 14 How come the name it and claim it method of receiving blessings isn t working for you What about and what are the sacred names of God What is God s seal of being a true believer and that of being a recipient of his salvation
