Family Matters Ruth Lyn Meese, 2009-11-19 This volume is designed to give librarians and teachers guidance on the subject of adoption and foster care both as themes in children's literature and as issues affecting many students. To help librarians and teachers gain a deeper understanding of this sensitive subject, *Family Matters: Adoption and Foster Care in Children's Literature* takes a close look at 115 works of children's literature that have themes related to adoption and foster care, including many that have received the Newberry Award, Caldecott Award, or other prestigious honors from the American Library Association. *Family Matters* is not just a digest of titles; it is an expert resource for addressing adoption and foster care in the classroom both as a literary subject and as a personal issue with students. The book opens with an historical overview of adoption and foster care, then reviews level-appropriate titles by age group (K, grade 2, grades 3-5, and grades 6-8). Coverage includes discussions of the impact of adoption and foster care on normal development, as well as suggestions for safe language to use in the classroom and fun, effective activities for each title.
