Social TV Cory Barker, 2022-06-27 Winner of the 2023 SCMS Media Industries Scholarly Interest Group Outstanding Book Award sponsored by the Center for Entertainment Media Industries On March 15 2011 Donald Trump changed television forever The Comedy Central Roast of Trump was the first major live broadcast to place a hashtag in the corner of the screen to encourage real time reactions on Twitter generating more than 25 000 tweets and making the broadcast the most watched Roast in Comedy Central history The trumproast initiative personified the media and tech industries utopian vision for a multi screen and communal live TV experience In *Social TV Multi Screen Content and Ephemeral Culture* author Cory Barker reveals how the US television industry promised but failed to deliver a social media revolution in the 2010s to combat the imminent threat of on demand streaming video Barker examines the rise and fall of Social TV across press coverage corporate documents and an array of digital ephemera He demonstrates that despite the talk of disruption the movement merely aimed to exploit social media to reinforce the value of live TV in the modern attention economy Case studies from broadcast networks to tech start ups uncover a persistent focus on community that aimed to monetize consumer behavior in a transitional industry period To trace these unfulfilled promises and flopped ideas Barker draws upon a unique mix of personal Social TV experiences and curated archives of material that were intentionally marginalized amid pivots to the next big thing Yet in placing this now forgotten material in recent historical context Social TV shows how the era altered how the industry pursues audiences Multi screen campaigns have shifted away from a focus on live TV and toward all day content streams The legacy of Social TV then is the further embedding of media and promotional material onto every screen and into every moment of life

Exception to the Rule:

The Surprising Science of Character-Based Culture, Engagement, and Performance Peter J. Rea,James K. Stoller,Alan Kolp,2017-09-15 The antidote to navigating turbulent times isn t more rules It is timeless virtue that creates sustainable value Thoughtful leaders are keenly aware of the enormous challenge they face to drive high performance in a world that continues to ratchet up pressure and uncertainty Some leaders respond by getting tough and establishing strict rules They get people in line but they don t inspire excellence Wise leaders on the other hand help their people practice character to navigate their way through the turbulence without lowering performance expectations As a result their people

are more reliable under pressure Exception to the Rule links ancient wisdom with contemporary science on high performance teamwork and engagement Building an organizational culture based on classical virtues of trust compassion courage justice wisdom temperance and hope is both strategically smart and a better way to live Exception to the Rule walks you through the steps of helping everyone in your organization focus on character defined by virtue The word virtue means excellence which is why each one is essential to help people perform at a high level despite uncertainty and pressure Under character based leadership teams work better together creativity flourishes and engagement increases The most powerful idea of Exception to the Rule is this character defined by virtue is not based on birthright it can be learned and practiced Everyone can develop habits to become better than they were While character cannot be legislated character can be cultivated As virtue proves its value the culture you have can evolve into the culture you need **Archives of Acoustics Quarterly** ,2015 **Nothing**

But Net: 10 Timeless Stock-Picking Lessons from One of Wall Street's Top Tech Analysts Mark Mahaney,2021-11-09

Find the winners avoid the losers and build a solid Tech portfolio for the long run with proven methods from legendary analyst Mark Mahaney The Tech industry is the stock market's hottest most profitable sector but it can be a roller coaster ride Companies with great ideas can end up going nowhere and some that dominate today will be sold at fire sale prices in five years Sure things can become sore things very rapidly Nothing But Net provides the knowledge and insights you need to understand what's really hot to know what's not and to outperform other investors consistently and decisively Famous for his smart savvy and unique approach to Tech stock investing Mark Mahaney provides his 10 proven rules for succeeding as a long term Tech stock investor explaining everything he's learned during almost 25 years of analyzing internet stocks including Why revenue growth and customer metrics not earnings are what matter most to Tech investors How to invest not trade in the great growth opportunities that lie ahead How to determine when high valuations are a warning sign and when they signal an opportunity I've watched the rise of some of the leading companies of today Facebook Amazon Netflix Google and the fall of some of the leading companies of yesterday Yahoo eBay and AOL Mahaney writes Figuring out which companies really are going to be dominant franchises is an extremely hard thing to do But those who accomplished this were arguably able to generate some of the best portfolio returns in the stock market over the past generation Nothing But Net provides powerful advice for the next two decades lessons you can start applying today and use for years to come

Hiring: How to Hire Top Talent in an Instant Scott Wintrip,2017-04-07 Win the war for talent by building an army of ready to deploy candidates An employee leaves and you post the open position Resumes trickle in You interview a few candidates No one fits the bill The next thing you know three months have passed and that desk is still empty Nothing drives business success like a staff of talented productive employees So why accept a hiring process that fails you time and time again Well there's one person who doesn't Scott Wintrip And in High Velocity Hiring he provides the tools and systems for

creating a hiring process designed for today's fast paced talent deficient landscape. Using the proven methods Wintrip has applied at some of today's more forward thinking companies you'll hire top employees faster and smarter. High Velocity Hiring replaces the old worn out way of hiring with the simple but revolutionary approach of actively cultivating top talent before positions open. The old way is slow and inefficient. Wintrip's way is dynamic and proven effective. You'll enrich and maintain a flow of high quality candidates harness this flow by identifying the most talented people and channel it into a pool of ready to hire prospective employees. More than ever hiring the best people requires foresight planning alertness and decisive action. With High Velocity Hiring you have everything you need to seize the high ground in the war for talent and maintain it for long term growth and profitability.

The Power of Mandate: How Visionary Leaders Keep Their Organization Focused on What Matters Most Scott Stawski, 2019-06-28

The book that reveals how today's most successful leaders turn vision into reality featuring profiles of Jeff Bezos Bill Gates Mark Zuckerberg Steve Jobs Reed Hastings Mike Lawrie and more. Consensus Negotiation Compromise A democratic approach to leadership drives most organizations today. Consensus based decision making may be popular but it is far from the best approach in business. It's also rarely the right approach for C level executives especially now that digital technology is driving real business disruption. Simply put consensus is an innovation killer. The most successful disruptive companies are propelled forward by mandate driven leaders. These leaders are inspired by a compelling belief idea strategy or tactic. Through their willpower organizations are thrust into the future. The mandate driven leadership model is the hallmark of visionaries who have changed entire industries and sustained consistent innovation in their own companies. The Power of Mandate reveals what it takes to be an effective leader in today's disruptive business environment. You'll learn how the most audacious visionaries managed turn their visions into reality. This timely book will help you Discover your inner visionary Avoid the pitfalls of consensus leadership Create a mandate driven culture Develop leadership skills in others and more. Profiles of the most successful mandate driven leaders including Amazon's Jeff Bezos Apple's Steve Jobs Facebook's Mark Zuckerberg Netflix's Reed Hastings Airbnb's Brian Chesky DXC Technology's Mike Lawrie and Microsoft's Bill Gates provide invaluable leadership lessons you can begin applying today.

The Business of Race: How to Create and Sustain an Antiracist Workplace—And Why it's Actually Good for Business Margaret H. Greenberg, Gina Greenlee, 2021-08-31

This book is not written specifically for White readers Black readers readers who are Latino Asian or other specific racial or ethnic groups. If you are a business leader individual contributor Human Resources or DEI Diversity Equity and Inclusion professional educator coach or consultant then The Business of Race is for you. In the business world incident driven company position statements on Black Lives Matter or Stop Asian Hate are not proxies for the heavy lifting that will penetrate and sustain a shift in the status quo. Advancing racial equity to disrupt institutional racism requires more than a company wide memo or a tab on a corporate website. Businesses often water down negate or skirt this reality by touting successes from its cousin diversity. However you

cannot advance a strategy you do not name The general term diversity enables that dynamic It's impossible to create an antiracist workplace when we avoid speaking the words race and racism Co authored by two business women one Black and one White The Business of Race can help us all prepare for this transformative work Rather than diving headfirst with well meaning but ineffectual efforts we must first ready our organizations The authors outline both the inner work raising our own individual awareness and creating new ways of thinking and being and the outer work organizations must undertake This includes honest and often uncomfortable discussions And carrying out as core to operational business strategy and performance policies and practices to reimagine a racially equitable workplace Whether you're a rising entrepreneur a supervisor or manager a leader of a large multinational company or a frontline employee you'll find concrete actions in this essential guide Why Racial Diversity Why Now A Competitive Advantage Commitment Specificity and the Science of Small Wins Uncomfortable Truths and Fearless Leaders Look for Talent Where Others Are Not No Secrets in Pay and Promotions Close the Wage Gap Discover Your E and Measure its Impact Woven throughout The Business of Race are interviews with dozens of business professionals across myriad industries fields and organizational levels Their stories bring voice to the challenges and opportunities businesses face every day and provide readers with the courage and tools to openly honestly and effectively address the deeply complex emotional and intimidating dynamic of race and racism in the workplace
