Amazon Prime Now Atlanta:

The Package King Joe Allen,2020-04-07 An incisive history of how a bicycle messenger service in Seattle became a global behemoth and the labor battles along the way Dissent We may see their trademark brown trucks everywhere today but few people know the behind the scenes story of United Parcel Service and how it became one of America s most admired companies This book reveals how UPS managed to displace General Motors the very symbol of American capitalism to become the largest private sector unionized employer in the United States its long tumultuous history with the International Brotherhood of Teamsters and its effects on its workers and surrounding communities It also explores the question of its future in the age of Amazon as it battles to hold on to the throne of the Package King Get a copy of Allen s book for yourself and then pass it on to a UPS driver the next time you get a delivery She is part of the most organized section of what is possibly the most important industry in 21st century capitalism and the outcome of her story will have a lot to do with what our world looks like on the other side of this pandemic Indypendent *Computerworld* ,1999-05-03 For more than 40 years Computerworld has been the leading source of technology news and information for IT influencers worldwide Computerworld s award winning Web site Computerworld com twice monthly publication focused conference series and custom research
