Studies Dr. Rashi Baliyan ,2025-03-24 *Create Your Own Online Store in a Weekend* Alannah Moore,2015-07-21 The advantages of selling your products online are many low overhead global markets twenty four hour shopping but perhaps most important is the level playing field offered by the internet With a distinctive product and professional looking website you stand as much of a chance at success as anyone even if others have more money to invest In *Create Your Own Online Store in a Weekend* Alannah Moore guides entrepreneurs through the process of setting up an online business and creating a website that fits both their products and their budget This accessible primer provides detailed information on how to set up and provide content for your site as well as the right storefront and payment solutions Moore addresses all aspects of running an online business including marketing order management and boosting sales Whether you are selling goods services or downloadable files this guide will help you find the e commerce solution that s right for you **The Emergence of Online Video** United States. Congress. Senate. Committee on Commerce, Science, and Transportation,2014

Management John R. Schermerhorn, Jr.,Daniel G. Bachrach,Barry Wright,2020-11-16 Today s students are tomorrow s leaders and managers The *Management Fifth Canadian Edition* course helps students discover their true potential and accept personal responsibility for developing career skills to become future leaders in the workplace New content on topics like disruption Big Data AI machine learning and sustainability plus thought provoking exercises give students a fundamental understanding of today s world of management while urging them to reflect on their own behavior and decision making processes *Management* provides exciting new student engagement features on key themes of Analysis Ethics Choices Insight and Wisdom to attract learners attention and prompt additional reflection while fresh author videos updated video cases accompanying each chapter and other digital assets bring managerial theory to life By the end of the course students will be able to understand and apply management principles have developed concrete skills for career readiness gained confidence in critical thinking and embraced lifelong learning to ensure professional success **Agile Strategy** Ralph

Fernando,2019-06-10 *Agile Strategy* is a practical guide for managers responsible for setting the strategic direction of their organisations in increasingly dynamic markets Through its frameworks tools and real world examples it explains how to transform business performance through greater organisational agility Why do we need a new book on strategy The pace of change is increasing and strategic management is not keeping up More than one in four 28% strategic initiatives fail to meet their original goals and business intent 1 with insufficient agility identified as one of the top three barriers to successful strategy implementation 2 The square peg of traditional strategy vision mission and blue sky exercises the separation of strategy from implementation no longer fits the round hole of increasingly dynamic markets It is time for a new approach How is *Agile Strategy* different *Agile Strategy* distinguishes itself from other strategy and agile books currently available in that it is Designed for large organisations Much of the writing on agile techniques addresses start ups or small and medium sized enterprises SMEs which operate under very different constraints and freedoms *Agile Strategy* is written for large

organisations who want to be more agile Commercially led The approach is not a lightly airbrushed business rewrite of agile software development practices but rather a fundamental rethinking of commercial and operational business practices Practical It is anchored in innovative and robust concepts but designed as a practical how to guide a book for practitioners written by a practitioner Results focused Whilst addressing a broad range of organisational topics the book is grounded in the definition and delivery of measurable business benefits Why should I read it Agile Strategy offers four key benefits to its readers A clear framework RADAR A single easy to grasp guiding principle The Horizon Measurable benefits A practical approach The full text downloaded to your computer With eBooks you can search for key concepts words and phrases make highlights and notes as you study share your notes with friends eBooks are downloaded to your computer and accessible either offline through the Bookshelf available as a free download available online and also via the iPad and Android apps Upon purchase you ll gain instant access to this eBook Time limit The eBooks products do not have an expiry date You will continue to access your digital ebook products whilst you have your Bookshelf installed

Text Mining in Practice with R

Ted Kwartler, 2017-05-12 A reliable cost effective approach to extracting priceless business information from all sources of text Excavating actionable business insights from data is a complex undertaking and that complexity is magnified by an order of magnitude when the focus is on documents and other text information This book takes a practical hands on approach to teaching you a reliable cost effective approach to mining the vast untold riches buried within all forms of text using R Author Ted Kwartler clearly describes all of the tools needed to perform text mining and shows you how to use them to identify practical business applications to get your creative text mining efforts started right away With the help of numerous real world examples and case studies from industries ranging from healthcare to entertainment to telecommunications he demonstrates how to execute an array of text mining processes and functions including sentiment scoring topic modelling predictive modelling extracting clickbait from headlines and more You ll learn how to Identify actionable social media posts to improve customer service Use text mining in HR to identify candidate perceptions of an organisation match job descriptions with resumes and more Extract priceless information from virtually all digital and print sources including the news media social media sites PDFs and even JPEG and GIF image files Make text mining an integral component of marketing in order to identify brand evangelists impact customer propensity modelling and much more Most companies data mining efforts focus almost exclusively on numerical and categorical data while text remains a largely untapped resource Especially in a global marketplace where being first to identify and respond to customer needs and expectations imparts an unbeatable competitive advantage text represents a source of immense potential value Unfortunately there is no reliable cost effective technology for extracting analytical insights from the huge and ever growing volume of text available online and other digital sources as well as from paper documents until now

Internet Retailing and Future Perspectives Eleonora Pantano, Bang Nguyen, Charles Dennis, Sabine Gerlach, 2016-12-08 Since the first edition of this landmark textbook online

shopping has grown exponentially to the point that it now threatens to eclipse the high street. With online retail offering both advantages and challenges that are distinct from traditional commerce, this textbook provides new approaches to retailing and as such helps readers to take advantage of new digital technologies. This long-awaited new edition provides a thorough and substantial update to its solid core principle of digital retailing and its relationship with conventional retail methods. These principles are explained clearly and practically to provide students, entrepreneurs, and researchers with a reliable guide to the implementation and operation of a successful online retailing business. Updates to this edition include Search engine marketing and search engine optimization. New and updated case studies including Tesco's virtual store, Ray-Ban's smart mirror, IKEA's mobile catalogue, and Nordstrom's TextStyle Social networks and electronic word of mouth communication. A new chapter on ubiquitous retailing. With accessibly written features such as key learning points, questions, think points, and further reading, *Internet Retailing and Future Perspectives* is ideal for anyone using, studying, or researching digital commerce.
