Murphy, Justin Jeffcoat

Schedtler, 2025 *Apocalypses in Context* is designed for the classroom bringing together the insights of scholars and using different methods to discuss the manifestations of apocalyptic enthusiasm in different ages The second edition includes four new chapters on topics relevant to the modern student and revisions based on classroom feedback To Follow the Lamb Ted Grimsrud, 2022-03-31 For many the book of Revelation seems hopelessly hard to interpret It gives the impression of being full of frightening and confusing visions However *To Follow the Lamb* A Peaceable Reading of the Book of Revelation

shows that Revelation actually is fascinating inspiring and empowering The key to reading Revelation is simple Let s take seriously the opening words of the book that tell us it is a revelation of Jesus Christ Let s expect Revelation to help us understand Jesus and his will for us We may expect that Revelation shares the same basic sensibility that we find in the Gospels and the rest of the New Testament Revelation is an exhortation to discipleship follow the Lamb wherever he goes It offers a sharp critique of the world s empires and of how people of faith find ways to be comfortable within the empires Revelation portrays God as merciful and peaceable but engaged in a battle against the spiritual powers of evil as fought with the weapons of love not worldly violent weapons To Follow the Lamb opens up Revelation s blueprint for faithful living Resistance to the empires and embrace of the compassionate and healing love of the Lamb
