We don't try to teach you everything there is to know about English; only what you'll need to score higher on the exam. There's a big difference. In *Cracking the TOEFL*, we'll teach you how to think like the test writers and eliminate answer choices that look right but are planted to fool you. Ace the Structure and Writing sections by remembering a few basic grammar rules. Use vocal emphasis cues to master Listening questions. Use Process of Elimination to score higher on Sentence Completion and Error Identification questions. This book includes a full-length practice TOEFL exam plus an audio CD with Listening exercises and a full transcript. The questions and exercises are like the ones you'll see on the actual TOEFL. We also give book buyers online access to full-length simulated TOEFL exams complete with instant score reporting and answer explanations.
