## All That Still Matters At All:

**All That Still Matters at All** Miklós Radnóti, John Ridland, Peter V. Czipott, 2014 Miklos Radnoti 1909 1944 whose work beautifully combines colloquial modernism with Virgilian classicism is best known internationally as one of the great poets of the Holocaust his final harrowing poems were recovered from a notebook found on his body upon exhumation from a mass grave in 1946 But while he is certainly one of the key literary chroniclers of the Holocaust he is also much more than that All That Still Matters at All spans his entire output from his carefree early love lyrics to the increasingly urgent poems written as the clouds of fascism and war descended upon Europe to the poems composed during forced labor and the death march that finally took his life All of his work however was inspired by his wife muse and literary executor Fanni Gyarmati Radnoti who enthusiastically endorsed these new translations by Ridland and Czipott prior to her death in 2014 at the age of 101 **Why**

**Traditional Chinese Philosophy Still Matters** Ming Dong Gu, 2018-02-15 Traditional Chinese philosophy if engaged at all is often regarded as an object of antiquated curiosity and dismissed as unimportant in the current age of globalization Written by a team of internationally renowned scholars this book however challenges this judgement and offers an in depth study of pre modern Chinese philosophy from an interdisciplinary perspective Exploring the relevance of traditional Chinese philosophy for the global age it takes a comparative approach analysing ancient Chinese philosophy in its relation to Western ideas and contemporary postmodernist theories The conversation extends over a broad spectrum of philosophical areas and themes ranging from metaphysics hermeneutics political theory religion and aesthetics to specific philosophical schools including Confucianism Daoism and Buddhism By engaging many time honoured philosophical issues from a comparative perspective this book bridges the gap between Eastern and Western thought and emphasises the need for a newly fortified global humanism and a deeper appreciation of different philosophical and religious values in an age gripped by large scale crises Arguing that traditional Chinese philosophy has immediate relevance to the many challenges of modern life this book will be useful to students and scholars of Asian Philosophy and Asian Studies in general **Why Victorian Literature Still Matters** Philip Davis, 2009-01-30 Why Victorian Literature Still Matters is a passionate defense of Victorian literature's enduring impact and importance for readers interested in the relationship between literature and life reading and thinking Explores the prominence of Victorian literature for contemporary readers and academics through the author's unique insight into why it is still important today Provides new frames of interpretation for key Victorian works of literature and close readings of important texts Argues for a new engagement with Victorian literature from general readers and scholars alike Seeks to remove Victorian literature from an entrenched set of values traditions and perspectives demonstrating how vital and resonant it is for modern literary and cultural analysis **Old School Still Matters** Brian L. Fife, 2013-08-12 Can public schools in America be saved This book considers theory current practice and the common school ideal through a historical lens to arrive at practical suggestions for reforming contemporary public education Despite dramatic sweeping changes in

recent decades a strong case can be made for guiding the reformation of contemporary public education in the United States on common school ideology of the nineteenth century The author argues that the common school remains a public institution capable of preparing America s youth to contribute to the community in a positive manner and that education must be treated at a public good where all children regardless of social class have a right to a quality education The work includes a thorough overview of Horace Mann s writings on K 12 public education that support the common school ideal concepts that are over 150 years old yet still highly relevant today

**Why the Reformation Still Matters** Michael Reeves,2016-04-21

On 31 October 1517 Martin Luther posted his ninety five theses on the castle church door in Wittenberg More than any other event this has the best claim to be the starting gun that set the Reformation in motion Five hundred years later the Reformation still has important things to say In this clear incisive and accessible survey Michael Reeves and Tim Chester show how the Reformation helps us answer questions like How do we know what s true Can we truly know God How does God speak What s wrong with us How can we be saved Who am I That many people today find the Reformation strange and remote exposes our preoccupation with this material world and this momentary life If there is a world beyond this world and a life beyond this life then it doesn t seem to matter very much to us At its heart the Reformation was a dispute about how we know God and how we can be right with him At stake was our eternal future and it still is

**Multiculturalism Still**

**Matters in Education and Society** Festus E. Obiakor,2021-06-23 Multiculturalism Still Matters in Education and Society emphasizes the importance of multiculturalism in our complex world It urges collaboration for the common good values differences as strengths and inspires expanding discourses The book aims to make invisible voices visible and help diverse populations reach their potential

**Why Face-to-Face Still Matters** Reades, Jonathan,Crookston, Martin,2021-03-18 Why do businesses still value urban life over the suburbs or countryside This accessible book makes the case for Face to Face contact still considered crucial to many 21st century economies and provides tools for thinking about the future of places from market towns to World Cities
