All We Know Three Lives

Henry Burton

All We Know Three Lives:

All We Know Lisa Cohen, 2012-07-17 Esther Murphy was a brilliant New York intellectual who dazzled friends and strangers with an unstoppable flow of conversation. But she never finished the books she was contracted to write, a painful failure and yet a kind of achievement. The quintessential fan Mercedes de Acosta had intimate friendships with the legendary actresses and dancers of the twentieth century. Her ephemeral legacy lies in the thousands of objects she collected to preserve the memory of those performers and to honor the feelings they inspired. An icon of haute couture and a fashion editor of British Vogue, Madge Garland held bracing views on dress that drew on her feminism, her ideas about modernity and her love of women. Existing both vividly and invisibly at the center of cultural life, she like Murphy and de Acosta is now almost completely forgotten. In *All We Know*, Lisa Cohen describes these women's glamorous choices, complicated failures and controversial personal lives with lyricism and empathy. At once a series of intimate portraits and a startling investigation into style, celebrity, sexuality and the genre of biography itself, *All We Know* explores a hidden history of modernism and pays tribute to three compelling lives. *All We Know* is one of Publishers Weekly's Top 10 Best Books of 2012.

Eleanor Medhurst, 2024 From Sappho and Suffragettes to t-shirts and TikTok, a fascinating journey through the culture, politics and social history of lesbian clothing. **Unfolding the Past** Elizabeth Wilson, 2022-04-07 Fascinating Perspective. A fascinating, often funny and eminently stylish personal memoir. I loved it. Chris Beward, author of *The Suit*. Wide ranging, thought provoking and important. Claire Wilcox, author of *Patch Work*. Elizabeth Wilson is a pioneer of fashion studies, yet she never intended to become an academic. Starting her literary career as a feminist activist writing for the underground press, she went on to explore tennis bohemians and, of course, fashion. Her obsession, along with forays into fiction. Throughout, she has never seen her work as abstract or disengaged from real life. In her memoir, she traces this relationship between personal experience and her writing, revisiting pivotal moments from childhood, adolescence and adult life to explore her belief that research, by its nature, is always a form of autobiography. She unfolds the garment of her life in a wide ranging exploration of scenes from her past, her difficult relationship with her mother, fashion in the 60s and gay liberation. In this journey through time, she shows how experiences are inseparable from the way we seek to explain and understand them, offering a unique and deeply personal account of her and our cultural world.

art and life from his public emergence with his legendary Triptych 1944 its images so unrelievedly awful that people fled the gallery to his death in Madrid in 1992 Bacon was a witty free spirit and unabashed homosexual at a time when many others remained closeted and his exploits were as unforgettable as his images He moved among the worlds of London s Soho and East End the literary salons of London and Paris and the homosexual life of Tangier Through hundreds of interviews and extensive new research the authors probe Bacon s childhood in Ireland he earned his father s lasting disdain because his asthma prevented him from hunting his increasingly open homosexuality his early design career never before explored in detail the formation of his vision his early failure as an artist his uneasy relationship with American abstract art and his improbable late emergence onto the international stage as one of the great visionaries of the twentieth century In all Francis Bacon Revelations gives us a more complete and nuanced and more international portrait than ever before of this singularly private darkly funny eruptive man and his equally eruptive extraordinary art Bacon was not just an influential artist he helped remake the twentieth century figure
