her iPhone into a tomb that includes all the luxuries anyone could ever desire While living a life of luxury Martha uses her Apple iPhone to terrorize people living in as many telephone area codes as possible and to gain vengeance on anyone including both of her children who have wronged her during her life Her telephone calls from the crypt are sometimes vicious and sometimes hilarious but always entertaining Over the years Martha mellows a bit but she remains the kind of person you would not want to cross *Macworld* ,2007-07
