Apple Training Series iLife iLife 09 Edition Michael Wohl:

Apple Training Series Michael E. Cohen, Michael Wohl, Mary Plummer, 2010-04-16 In the only Apple certified guide to iLife 09 the authors have you working miracles with iLife within the first few pages. Featuring footage and images from around the world this book uses real life material and practical lessons that you can apply immediately to your own projects. Focused lessons take you step by step through all aspects of iLife 09 everything from organizing and sharing your photo library to creating polished video and soundtracks. Along the way you'll produce movies, photo books, podcasts, websites, blogs, and custom DVDs. Master the iLife suite of tools quickly through fun real world projects. Turn your photos into cards, picture books, calendars, or a web gallery. Add motion and music to a slideshow, then publish it online. Create a video with polished transitions, music effects, and even greenscreen. Learn Hollywood style techniques for making better videos. Build a soundtrack in GarageBand and learn to score a simple movie. Create websites, blogs, podcasts, and DVD menus in a snap. The Apple Training Series is both a self-paced learning tool and the official curriculum of the Apple Training and Certification Program. To find out more about Apple Training or to find an Authorized Training Center near you, go to www.apple.com/training. All of Peachpit's eBooks contain the same content as the print edition. You will find a link in the last few pages of your eBook that directs you to the media files. Helpful tips. If you are able to search the book search for "Where are the lesson files?" Go to the very last page of the book and scroll backwards. You will need a web-enabled device or computer in order to access the media files that accompany this eBook. Entering the URL supplied into a computer with web access will allow you to get to the files. Depending on your device, it is possible that your display settings will cut off part of the URL. To make sure this is not the case, try reducing your font size and turning your device to a landscape view. This should cause the full URL to appear.

Apple Pro Training Series Arek Dreyer, Ben Greisler, 2012-11-29 The only Apple certified book on OS X Server on Mountain Lion, this comprehensive reference takes support technicians and ardent Mac users deep inside the server for the latest operating system, covering everything from networking technologies to service administration, customizing users and groups, and more. Aligned to the learning objectives of the Apple Certified Technical Coordinator certification exam, the lessons in this self-paced volume serve as a perfect supplement to Apple's own training class and a first-rate primer for computer support personnel who need to support and maintain OS X Server on Mountain Lion as part of their jobs. Step-by-step exercises reinforce the concepts taught through practical application. Quizzes summarize and reinforce acquired knowledge. The newest version of OS X is more business friendly than ever, making it simple to get a network up and running quickly and IT professionals will need Server Essentials to integrate Macs into their organizations. The Apple Pro Training Series serves as both a self-paced learning tool and the official curriculum for the OS X Mountain Lion and OS X Server on Mountain Lion certification programs.
