

Nursing College Application Letter

July 9, 2016

Ms. Jessica Parker
Graduate Recruitment Coordinator
Sunland Park University
782 McNutt Road
Sunland Park, NM 87299

Dear Ms. Parker:

I would like to thank you for taking out the time to explain the Graduate Nursing Program that Sunland Park University is offering in September 2016. After talking with you, I have decided to enroll into this program to polish my nursing skills and eventually work at a responsible nursing position at the Sunland Park Hospital which is associated with your university.

Owing to the Bachelor's degree in Nursing from the Sunland Park Medical University, I possess excellent understanding of traditional nursing practices and corresponding new technologies. During my three hospital placements, I learnt a range of nursing skills – emergency ward rotation did wonders for both my confidence and learning – and I would not like to build up on these skills as I aspire to specialize in handling cases in A&E eventually.

I have proven that I can follow safe nursing practices in both clinical and hospital settings through the successful practice assessments that I have been through. This program will help me attain clinical reasoning and teamwork skills which are two of the most important aspects of nursing work.

Enclosed are copies of my resume, academic transcripts and placement reports so that you can gauge my eligibility for this program. I am eager to discuss my potential with you and look forward to meeting with you in person once again. I can be contacted at (000) 325-8545 if you need further information. Thank you very much for your consideration.

Regards,
