Dear Manager:

It is with great interest that I apply for the Clinical I Nurse position at ABC Hospital. ABC's values reflect the reasons I decided to become a nurse. I am graduating in April and plan to sit for the NCLEX in June.

My clinicals showed me the importance of working as part of a team. I was able to build relationships with doctors, nurses, assistants, and other members of the health care team. One of my references, Manager Mary Jones at XYZ Hospital, recognized me for my dedication to my patients and my supportive approach to helping others on the health care team. I took accountability for helping the unit meet the needs of all patients.

In addition to my education and clinical rotations, I worked as youth program coordinator in Houston, TX. I worked with young people from diverse cultural backgrounds. We organized activities and counseled individually regarding substance abuse prevention. This experience showed me how our patients need to be involved in the decisions regarding their health care. I learned to be sensitive to people's emotions and respectful of their culture and boundaries. Most important, it taught me to deal build trust by being honest, showing compassion, and keeping the individual's needs a priority.

I believe that my skills, my dedication to nursing, and my willingness to learn will make me a positive addition to your health care team. I have attached a resume which further outlines my
