Slate, 2015-08-08 Bring Your Unconscious Powers into the Conscious Mind and Make a Life of Greater Success and Happiness Master the Tools of Psychic Empowerment and Self Knowledge Become more than you are Spiritual communication is no longer a passive state of waiting to hear the spirits speak through a medium or channel Discover how to manifest an active state of consciousness and create direct communication with specific spirits and spiritual entities This is a do it yourself book personal and individual so you no longer have to depend on groups and institutions for power or authority With clear and precise instructions Communicating with Spirit shows you how to return Spirit to your inner self open the doors to communication at the spiritual levels and extend perception from material limitations toward the inclusiveness of higher dimensional awareness Explore yourself and the world of spirit the answers come from within **Down to Earth** Robert Brown, 2019-10-31 Down to Earth is a story about a group in the spirit world motivated to help mankind live good and purposeful lives who develop the technology to show people what spirit world is like with live interactive views We follow this group from the first break through to full stadiums streaming to a live television audience seeing heaven for the first time The Earth is introduced to the awe inspiring higher realms and also the dark ugly and hideous lower realms The outreach from heaven and the response creates a dramatic and heart inspiring story Forward by David and Takeko Hose Authors of Every Day God Edited by Joy Pople **How to Talk to Me After I'm Gone** Alexandra Chauran, 2014-12-08 Many people long to communicate with their loved ones after death But how do you know if your friends and family will hear you How to Talk to Me After I m Gone shows how to create a plan for contacting your loved ones after you ve passed over to the other side Sharing remarkable techniques for expressing love comfort and guidance Alexandra Chauran is the perfect guide to exploring all the possibilities that await us in the afterlife Leading you through stories and simple exercises this book will help you create a legacy so that your family and friends will know you are happy and at peace How to Talk to Me After I m Gone also includes a crash course for learning basic spirit communication so you can practice with your loved ones Messages from the Afterlife Mark Ireland, 2013 A

father watches his teenage son step out the door on a hiking trip not knowing that this is the last time he would see him A journal of grief despair and ultimately hope this book tells the story of every parent's nightmare the sudden death of a child and a father's search for meaning in a seemingly random world of psychics and skeptics Expanding on territory covered in his 2008 memoir of his son's death *Soul Shift* Messages from the Afterlife is both an account of Ireland's journey from indifference to belief and an overview of the resources available to the bereaved to help them receive messages from the afterlife Mark Ireland son of celebrated psychic to the stars Dr Richard Ireland was a successful marketing executive in Arizona with little interest in his father's colorful history While his father held readings for Mae West and traveled the U S demonstrating his parapsychological powers Mark Ireland took a more conventional route through life But when his own teenage son Brandon suddenly dies while hiking in the mountains with friends Ireland is forced to confront his resistance to all things spiritual and begins to explore the possibility that communication with the dead is real In his search for conclusive evidence of life after death he plunges into his father's world and meets an array of respected psychic mediums who deliver unexpected messages not only from his son in the afterlife but also from many other souls seeking to communicate with the living Fighting to retain a sense of critical thinking Ireland also contacts scientists conducting research into the survival of consciousness after death The book features detailed accounts of tests and experiments that various people have conducted to obtain proof of consciousness survival including Ireland's own involving a secret message left behind by his sister Robin who died of pancreatic cancer The contents of this message were unknown to any living person and remained sealed in an envelope untouched until responses had been received from a group of qualified mediums who sought to crack the code Messages from the Afterlife shows how spirit communication can be both undeniably accurate and frustratingly ambiguous and above all demonstrates the value of having an open receptive mind while maintaining faith in the indestructibility of the human spirit
