Haines ... Directory, San Jose, California, City and Suburban, 2009 The Battle to Save the Houston Estate of John G. Miller, 2013-01-15 A World War II adventure story of epic proportions this book tells the heroic tale of a dedicated band of men who refused to let their crippled ship sink to the bottom of the Pacific in late 1944 Based on over seventy eyewitness

accounts and hundreds of official documents and personal papers it records in rich detail the USS Houston's 14 000 mile perilous journey home to the Brooklyn Navy Yard Part of Bull Halsey's famous Pacific Task Force 38 the Houston's had been supporting air strikes as a prelude to the Battle of Leyte Gulf when she took an aerial torpedo hit that caused serious flooding. Nearly two thirds of the crew abandoned ship before the damage control officer convinced the captain she might be saved. Another torpedo hit two days later complicated the crew's desperate fight. Surrounded by death floodwaters and fire stalked by enemy subs threatened by air attack and running from a typhoon the men of the Houston's remained towers of strength while knowing their ship was never more than minutes away from breaking apart. John Miller's action packed account gives insights into the nature of heroism and leadership that remain valuable today. Exceptional photographic documentation accompanies the text.
