Bridging The Class Divide And Other Lessons For Grassroots Organizing:

Bridging the Class Divide Linda Stout, 1997-02-28 Again and again social change movements on matters from the environment to women's rights have been run by middle class leaders But in order to make real progress toward economic and social change poor people those most affected by social problems must be the ones to speak up and lead It can be done Linda Stout herself grew up in poverty in rural North Carolina and went on to found one of this country's most successful and innovative grassroots organizations the Piedmont Peace Project Working for peace jobs health care and basic social services in North Carolina's conservative Piedmont region the project has attracted national attention for its success in drawing leadership from within a working class community actively encouraging diversity and empowering people who have never had a voice in policy decisions to speak up for their own interests The Piedmont Peace Project demonstrates that new ways of organizing can really work *Bridging the Class Divide* tells the inspiring story of Linda Stout's life as the daughter of a tenant farmer as a self taught activist and as a leader in the progressive movement It also gives practical lessons on how to build real working relationships between people of different income levels races and genders This book will inspire and enrich anyone who works for change in our society *The Nation Guide to the Nation* Richard Lingeman, Nation Magazine, 2009-01-06 The essential lifestyle guide for the millions of progressives on both coasts The Nation Guide to The Nation will help left of center types find left leaning shops cultural institutions and gathering places in their own hometowns and on the road CULTURAL Art collectives activist documentaries political circuses film festivals writers colonies left brained bookstores arts advocacy groups indie book publishers the 25 greatest political movies detective stories for liberals SOCIAL Organic and slow food restaurants political saloons and bars bookshop cafés and conversational coffeehouses sexy singles meet ups reading clubs and discussion groups camps for radical kids parades and festivals parks and preserves ENVIRONMENTAL Activist groups monkey wrenchers and sea shepherds eco friendly products favorite green markets super co ops eco tourism farm communes energy solutions ORGANIZATIONS Peace and anti nuclear feminist GLBT economic policy immigrant rights labor issues campaign finance reform civil liberties radical mouthpieces liberal think tanks MEDIA Left talk radio press watchdogs anti corporate media regional and local papers alternative weeklies a guide to the blogosphere GOODS AND SERVICES Natural food stores no sweat clothing socially conscious mutual funds political tours eco beers and hemp pretzels funeral homes and cemeteries for a green send off *Revisiting the Use of Self* Deena Mandell, 2007 In recent years several developments have stimulated new ways of thinking about the social worker's self or selves in all aspects of practice The focus on practice with diverse populations and the emphasis on anti oppressive practice have highlighted elements of the relationship between social worker and client The objective of this book is threefold 1 Offer the reader a historical developmental overview of the concept of use of self and critically explore its adequacy for contemporary ethical practice 2 Provide the reader with first person practitioners accounts of their own use of self in

examples of reflective practice approaches 3 Broaden the scope of the concept of critical use of self to fields of service where it is under theorized in for example community work and corrections

Encyclopedia of Community DAVID LEVINSON, KAREN CHRISTENSEN, 2003-06-30 Click Additional Materials for downloadable materials and samples Incredibly this is the first encyclopedia to focus on community as concept and experience so stands alone in its field as the one title any library must buy to cover this topic Essential for all readerships CHOICEA timely comprehensive and very welcome overview of a rich and rapidly growing field of inquiry Robert D Putnam Professor at Harvard University and author of Bowling Alone With every passing minute it becomes more and more apparent that our world is one community The Encyclopedia of Community serves as recognition of this trend and as a needed resource The four volume set not only explains the emerging buzz words of community such as social capital or civic engagement but also tells many stories of community institutions that work such as public libraries Sarah Ann Long Past President 1999 2000 American Library Association As we yearn to connect with our fellow citizens during these uncertain times we have a unique moment to encourage greater participation in our democracy and reinvigorate our communities The Encyclopedia of Community provides a timely diverse array of theories and practices that will help citizens understand the value of engaging together to make the critical choices that enrich the way we live learn work and govern in our local communities The Encyclopedia deserves a prime spot in the libraries homes and offices of all communities that want to invest in a brighter future for their residents and their children Nancy Kranich Past President of the American Library Association whose presidential theme was Libraries The Cornerstone of Democracy 2000 2001 American politicians often pair the word community with the word freedom to describe our basic values Yet though used constantly the word community is defined in widely different and contested ways Most people like the idea of community but some intellectuals worry that it might imply collectivism The

great value of this new Encyclopedia is that it gives readers a chance to sample the many uses of the term and gain clarity about the issues at stake. It is a major contribution to a more coherent understanding of this fundamental idea. Robert Bellah, Professor of Sociology Emeritus, University of California Berkeley and co-author of *Habits of the Heart*, SAGE Publications is proud to announce the *Encyclopedia of Community*, a major reference work that summarizes the many fascinating and important concepts of a global topic. Community itself is a concept, an experience and a central part of being human. Whether the reader is a student, researcher or professional in the field of psychology, sociology or even economics, this three-volume work will provide the necessary definitions of community beyond traditional views. Arranged in an A to Z fashion, the Encyclopedia can also be viewed topically via a Reader's Guide. This allows for interdisciplinary compare and contrast among topics such as types of communities, social capital, technology, urban life, politics and law, community design and global studies. Edited by the award-winning team at Berkshire Reference and assisted by an editorial board of world-renowned scholars, the *Encyclopedia of Community* will prove to be one of the most widely used reference works in your collection.

Key Features: 500 signed articles, 3 volumes, 2000 pages, Reader's Guide, Master bibliography, 250 sidebars, Appendices, Resource Guides, Master Bibliography.

Community Organizing and Development Herbert J. Rubin, Irene Rubin, 2008. This revised edition of a well-known and widely used text in community organizing and development fully examines the broad and changing political and social settings that influence actions while portraying the infrastructure of social change, the knowledge, personnel and organizations that enable such work to be successfully accomplished. The text brings together the practicalities of organizing and development, fund-raising, working out, news releases, running an organization, orchestrating political actions, academic knowledge and explains why various approaches work as well as the values and ideologies that guide what is to be done. It provides the foundations of organizing and development work and then describes how activists, through following either a social confrontation model or an economic and social production approach, can respond to economic and social problems.

Inciting Democracy Randy Schutt, 2001-09-10. *Inciting Democracy* offers a vision of what a good society might look like and explores how we can overcome five key obstacles to creating such a society. It offers a practical way to develop a large decentralized education and support program that can increase the skills, knowledge and strength of hundreds of thousands of goodhearted people so they can democratically and nonviolently transform society through grassroots change movements. It also provides a realistic long

term vision of success a vision that can encourage and inspire people working for positive change thus making success more likely **The Battle in Seattle** Janet Thomas, 2000 November 30 1999 is seen as a day of infamy the day the World Trade Organization was battled head on in Seattle Media coverage with its images of gas masks tear gas victims bullying cops rampaging hoodlums and ruffled WTO dignitaries presented a riveting picture of violence in the streets But there was another battle of far greater consequence People from around the world converged that day to show solidarity for working people and to voice their concerns about child labor the environment and global economic justice The World ,1997

Activism and Social Change Eric Shragge, 2003 This book connects the personal and the political to produce a sophisticated understanding of the potential of as well as barriers to local activism and community organizing Robert Fisher University of Connecticut *Calling All Radicals* Gabriel Thompson, 2007-09-28 American democracy is seemingly in retreat Voting rates are at an all time low citizens are disillusioned and inequality continues to soar But there is also a belief that change is possible *Calling All Radicals* argues that we can reclaim our democracy in the old fashioned way through grassroots organizing Gabriel Thompson draws upon his own experience of working within local communities to demonstrate its immediate impact Some examples When a brother and sister were being evicted from their home of 73 years the community responded by staging a protest in front of the landlord's home gaining media attention and forcing the owner to allow them to stay With children in Central Brooklyn suffering from lead poisoning Thompson designed a campaign that trained inner city high school students to test neighborhood homes and found that 1 in 3 were dangerous forcing NYC officials to act by pushing through citywide legislation that held landlords responsible for implementing more proactive steps to fix hazards *Calling All Radicals* argues that everyone is capable of community organizing It explains the key tactics of organizing leadership development conducting research and working effectively with the media *Forthcoming Books* Rose Arny, 1996-10 **Bridges** ,1997 **Preserving and Strengthening Small Towns and Rural Communities** Iris Carlton-LaNey, Richard L. Edwards, P. Nelson Reid, 1999 A compilation of the most dynamic and exemplary presentations at the 23rd Annual National Institute on Social Work and Human Services in Rural Areas this volume offers a much needed generalist approach to practice in the rural environment *Preserving and Strengthening* defines the issues and crises of surprisingly diverse populations and illustrates the myriad solutions and interventions available to the social work practitioner in the rural context The book defines the specific needs of the small town and rural populations of the United States and Canada from the familial societal economic agency and empowerment perspectives recognizes the diverse range of cultural and ethnic groups including African Americans American Indians and Canadian First Nations People addresses the traditional way of life found in rural communities and offers approaches to enhance it and assembles the research and experiences of leading practitioners in the rural environment *Promoting Well-Being* Isaac Prilleltensky, Ora Prilleltensky, 2006-10-13 Links psychological wellness with organizational and community health and provides insight into

how these domains interact *Democracy and the Claims of Nature* Bob Pepperman Taylor, Ben A. Minteer, 2002-04-16 In *Democracy and the Claims of Nature* the leading thinkers in the fields of environmental political and social theory come together to discuss the tensions and sympathies of democratic ideals and environmental values The prominent contributors reflect upon where we stand in our understanding of the relationship between democracy and the claims of nature *Democracy and the Claims of Nature* bridges the gap between the often competing ideals of the two fields leading to a greater understanding of each for the other
