Submissive Training Elizabeth Cramer,2014-02-19 There are a number of reasons a woman may choose online submission It's a good way to ease into the community by making friends and observing other people at a safe distance Creating an online persona allows women to keep their real names and identifiers private This not only helps maintain physical safety but also gives her the freedom to talk about sexual fantasies and naughty ideas without fearing judgment from other people or consequences on the job Online submission also allows for a sexual experience rooted in the world of fantasy

A woman can take on any role or persona she wants and perform acts she would not be willing or able to do in real life. She can express emotion, devotion, and talk as dirty as she likes without feeling self-conscious or uncomfortable. While the scenarios sometimes described in online submission can be pure fantasy, seemingly endless sexual romps with multiple orgasms and no pain or soreness, the feelings of lust, love, loyalty, friendship, and arousal are all very real and can be a part of a vibrant sexual life. This Submissive Training guide will take you into the world of online submission along with safety protocols and techniques for making the digital fantasy a physical reality. You will also learn how to make the transition from online submission to a real life meeting.
