Caught In A Hot Boy's Flame 2 Teshera Cooper, 2019-09-25 I'm going to get each and every Baptist Brother if it's the last thing I do What was that saying More money more problems It seems like that is just it for the Baptist brothers the more that they move up in life trouble lurks in the shadows Although they are ruthless in the streets and have built a successful empire Sandy Muggs will stop at nothing to destroy them even if that means hurting the people closest to them and taking them each down one by one Flame is labeled as the street's fire man not only because of his specialty but because he was known for moving swiftly and never getting caught that is until fate drops evidence in his arch enemies hands that could implicate him in the decade long mysterious house fire of his foster parents Now fighting for his freedom behind bars Flame leans on his newfound love with Pia unsure if she is strong enough to take this ride with him With the lingering assumptions in his head Flame finds himself gravitating towards his lawyer Stephany Bianchi all in an attempt to get over Pia but he soon learns that Pia has left an imprint on his mind that will be hard to erase After having the love of his life up and leave him for no apparent reason at all Smoke finds himself in an obsessive state desperate to find her The constant merry go round that he feels they are on has him hating Elle one day and longing for her return the next Elle is just trying to maneuver through her hectic life by running and starting anew after all it is what she is good at In her mind all she has to do is step into herself and forget about the people in her past but that proves to be an impossible mission as her heart still beats for a Baptist Just as Elle finds herself adjusting to her new life she meets a handsome stranger whose smile is not only breathtaking but deceiving Kiyan and Fancy are working to reconcile their differences so that they can raise their child together While they work through their rocky relationship the two are met with a person from Kiyan's past Uncertain about this person's intentions Fancy warns Kiyan but just like a Baptist he plays by his own rules leading him to unveil the skeletons of his past that he may not be ready for In the final chapter of the Baptist saga each brother finds himself giving into the idea of love but this isn't a fairytale so with the good comes the bad and the Baptist brothers must figure out how to beat Muggs at her own game all while extinguishing the fires from their relationships

The Brighton Effect C.M. Albert,2021-05-06 Brighton Kerrington

Olivia North was everything I always wanted From the moment I laid eyes on her I knew nothing would stop me from having her Not even her husband Ryan In the end I got her Maybe it wasn't all to myself but Olivia was worth every sacrifice I made to be with her What started as a chance to help Olivia heal from the loss of her babies ended up changing us all forever Because there wasn't anything Ryan and I wouldn't do to make her happy including sharing her love Forgiveness and healing are strange bedfellows but when it comes to love nothing is off limits But everything comes at a cost and there are key moments that end up changing our lives forever altering the trajectory we were once on Before all is said and done the three of us end up paying more than we ever bargained for Could our unorthodox love survive the hands of fate or was it all just the beginning of the end
